Mark Riden, M.Ed., B.A.,B.A.,2014-10-09 In his 2014 book *The Brain Moves* author C Mark Riden M Ed B A B A provides the artillery needed to repel the epidemic of brain trauma sweeping through American athletic and military culture like an Oklahoma storm ripping and tearing its way across a landscape Riden's investigative work in traumatic brain injury TBI looks at two distinct populations affected by closed blunt force trauma CBFT Current and former athletes who play or have played contact sports and military combat veterans home from war looking for a new sense of belonging CBFT refers to an object or person impacting the head or helmet causing the brain to move inside the cranium When the brain becomes overwhelmed by closed blunt impact ungovernable acceleration and deceleration forces inside the cranium obtrusively contort the brain causing immediate and long term neuronal damage Riden's work covers detailed collegiate research studies and an extensive interrogation of scholarly and non scholarly evidence Beginning with discussion on biomechanics and the physiological makeup of what Riden calls the twenty first century biological super athlete the author deposits eight dynamic chapters of TBI information on problems discovered in youth college and professional sports as well as the United States military Passionate about providing empirical confirmation on TBI during a time of injurious uncertainty in sports where athletes and soldiers are bigger stronger and faster Riden's propositions solutions and theories are directed at reducing CBFT frequency social maladaptation and cognitive disruption Supported by data Riden's book delivers a unique synthesis on the underpinnings of TBI associated with social competition human nature and cultural history Drawn to amphitheaters of opposition awkwardly the environments in which we have selected to compete are now killing us Clearly it is a gladiator's future we have chosen for ourselves Confronting and adapting to TBI through education will be part of that future **Elite?** Adam D. Metz,2018-10-23 Beyond an occasional sports inspired sermon illustration sports are generally regarded as having little relevance to the Christian faith More often they are viewed as a welcome and safe reprieve from politics and religion Quietly however as they avoid the discerning eye of the church sports are slowly overtaking families and overwhelming parents Under the labels elite select and travel a new experience of sports has taken root in American culture demanding financial burdens time commitments and heightened pressures never before seen Community leaders from various public sectors have criticized many recent trends in youth sports but alas where has the church been This new elite expression of

youth sports is quickly building an intimidating front against the church As church attendance declines elite youth sports participation is on the rise This book ventures into the challenging controversial and powerful world of youth sports Young people participate in sports more than just about any other activity and the church has neglected its role in providing a voice of discernment for what participating in sports should look like Christians are desperately in need of a manifesto for helping them wrestle with the complex exciting and often exhausting world of youth sports **High School Football Rules**
