Ann Arbor Tales Karl Edwin Harriman, 2021-05-18 In *Ann Arbor Tales* Karl Edwin Harriman masterfully weaves a narrative tapestry that captures the rich tapestry of life in Ann Arbor Michigan. Written in a blend of lyrical prose and sharp realism, each story offers a poignant glimpse into the human condition, exploring themes of community, identity, and the intersections of ordinary lives. Harriman's deft storytelling is reminiscent of the great American short story writers, inviting readers to pause and reflect on the complexities of daily existence against the backdrop of a town steeped in academic and artistic tradition. Harriman, an author known for his profound understanding of regional culture, draws upon his own experiences in Ann Arbor, which has long served as a vibrant nexus for intellectual and creative thought. His multifaceted background, encompassing both academic pursuits and active participation in the local community, lends authenticity and depth to the narratives presented in this collection. This familiarity enhances the book's exploration of how place shapes identity and relationships, resonating with both locals and newcomers alike. I highly recommend *Ann Arbor Tales* to readers seeking a nuanced portrayal of a quintessential American town. Harriman's ability to blend humor and pathos makes this collection not only an engaging read but also a reflective journey into the heart of human connections in a place that is as much a character as the individuals who inhabit it. **The Hosiery Retailer**, 1928 **Cotton**, 1924 *Our Year Book*, 1923

The Healing Journey Sue Maisano, PhD, 2018-03-01 An inspiring spiritual journey of triumph. Sue Maisano was born Xu Liu to a poor farming family in China. Her destiny was to follow in the footsteps of her ancestors. At a young age, a spark lit in Sue to dream big and reach for goals others said were impossible to obtain. How did she do it? In *The Healing Journey*, Sue Maisano tells her heartfelt story of her rise from poverty and obscurity in a Chinese village to fulfillment and success in America, reaching all of her goals of education, marriage, family, and a thriving healing practice. Now she shares her secrets of how she realized her dreams by following her intuition and spiritual guidance and spiritual laws that work for everyone. Sue Maisano is a skilled and compassionate teacher. She deftly illustrates how the same spiritual laws and guidance can work for you in the pursuit of your dreams. Share her journey now to achieve your own success and happiness. This is a book written simply and directly, giving us the story of how a life can flower from what some might consider misfortune to a full and fortunate outcome, just from taking the next step and the next in trust and good humor. Sue Maisano demonstrates how making everyday choices aligned with her life purpose made all the difference in her personal transformation. Penney Peirce, author of *Transparency Leap of Perception and Frequency*, says *The Healing Journey* is an amazing story about determination and overcoming adversity. Sue's journey is a remarkable testament to the importance of trusting your intuition and believing in yourself. Her incredible story stands as proof that we all have the power to decide our destiny if we trust in the universe and follow our heart.
