*The Deacon's Ministry of Charity and Justice* William T. Ditewig, 2015-12-07 The deacon's exercise of charity and justice extends the loving hand of God's constant love and mercy to all who are in need. The Vatican's Congregation for Catholic Education has called this work the ministry most characteristic of the deacon. In *The Deacon's Ministry of Charity and Justice* Deacon William Ditewig focuses on this ministry as a constitutive element of the nature of the Church itself, always flowing from the ministries of Word and Sacrament and leading back to them, never apart from them. Along with a rich exploration of the scriptural, historical, and theological foundation of the deacon's practice of charity and justice, Deacon Ditewig, one of today's foremost experts on the permanent diaconate, develops specific and concrete principles for exercising these ministries faithfully, authentically, and effectively. *The Deacon's Ministry* series explores the three fundamental diaconal ministries identified in the teaching of Vatican II: those of the liturgy of the word and of charity to the people of God (Lumen Gentium 29). This series, written by three highly regarded permanent deacons, offers a rich combination of theology, spirituality, and practical and effective guidance. Deacons and those in diaconal formation, their families, the bishops and priests they work with, and the people they serve will welcome it. *Compendium on the Diaconate* Libreria Editrice Vaticana, United States Conference of Catholic Bishops, 2024-05-17 In recent years, there has been a growing theological and pastoral interest in ministerial service and ministries in the Church, with a particular emphasis on the diaconal ministry and the role that deacons have in the Church. *The Compendium on the Diaconate: A Resource for the Formation Ministry and Life of Permanent Deacons* explores how bishops, along with their helpers, the priests and deacons, have taken up the service of community, exercising the divinely established ecclesiastical ministry on different levels. The Church is ministry service; diaconia, and it is called to be of service to the many aspects and sectors of the Church. This volume is a collection of fundamental texts for understanding the roots of the diaconate, understanding its ministerial speciality and its potential for development in today's world, as well as the Church's pastoral care. *Deacon, The* O'Donnell, Tim, 2020 Develops a vision of the distinctive ministerial identity of deacons that is theologically rigorous and practically useful, combining two complementary images: icon of Christ the servant and minister of the threshold. *The Diaconate in Ecumenical Perspective* Frederick C. (Fritz) Bauerschmidt, Anne Keffer, Maylanne Maybee, George E. Newman, Alison Peden, Josephine (Phina) Borgeson, Rosalind Brown, Brian A. Butcher, David Clark, Susanne Watson Epting, Gloria Marie Jones, E. Louise Williams, 2019-08-01 A discussion of the historical development of the order of deacons, its theological basis in the Western and Eastern Churches, and the relevance and significance of the diaconate for the Church in the twenty-first century. **National Directory for the Formation, Ministry, and Life of Permanent Deacons in the United States** Catholic Church. National Conference of Catholic Bishops. Bishops' Committee on the Permanent Diaconate, 2005 The national directory addresses the dimensions and perspectives in the formation of deacons and the model standards for the formation ministry and life of deacons in the
