Nice Book Individualism Political Disorder James Buchanan:

Individualism and Political Disorder The late James M. Buchanan, Yong J. Yoon, 2015-09-25 Inspired by F A Hayek's *Individualism and Economic Order* this book also stands in contrast to the themes of that work by emphasizing that collective action works differently from the way the market works The chapters comprise papers written by James M Buchanan both with and without Yoon's co authorship after the publication of his *Collected Work* volumes These chapters reflect the author's thoughts on politics seen through the lens of fiscal policy and the tragedies of the commons and anti commons in collective action The pathologies of democratic politics rigorously analyzed in the book prove the relevance of Buchanan's constitutionalism

Research in the History of Economic Thought and Methodology Luca Fiorito, Scott Scheall, Carlos Eduardo Suprinyak, Rebeca Gomez Betancourt, 2024-02-09 *Research in the History of Economic Thought and Methodology* RHETM is a book series dedicated to an interdisciplinary approach to a broad range of topics related to the history and methodology of economics

Towards an Economics of Natural Equals David M. Levy, Sandra J. Peart, 2020-01-02 Explores how the Virginia School developed an economics for natural equals in which consent is critical for policy

Individualism and Political Disorder Introduction James M. Buchanan, Yong J. Yoon, 2014 This note forms the introduction to a book entitled *Individualism and Political Disorder* It helps to contextualize the rest of the articles in the book The chapters in the book are papers written by James M Buchanan singly or jointly with Yong J Yoon after the publication of his *Collected Work* volumes 1999 2001

The People's Republic of China Today Zhiqun Zhu, 2011 Despite the significant progress it had achieved in the past 60 years especially in the past 30 years since Deng Xiaoping's reform initiatives in the late 1970s China faces daunting challenges today These challenges include among others a rigid political system that does not match economic vibrancy uneven economic growth and widening income gap a graying population environmental degradation potential social instability ethnic tensions and separatist movement poor international image and military modernization Based on papers originally presented at an international conference held at Bucknell University in Pennsylvania to mark the 60th anniversary of the People's Republic of China PRC this book provides

an up to date comprehensive and authoritative assessment of the PRC s political economic social ethnic energy security military diplomatic and other developments and challenges today Contributed by scholars and experts in political science international relations economics public administration history mass communication psychology and diplomacy the book focuses on the efforts needed by China to grow in a sustainable manner and to become a respected global power With each chapter addressing a different and yet an inter related issue of the PRC s development this book aims to make a significant contribution to the understanding of key challenges the country faces today as it strives to become a global power **Social Contract and Political Obligation** Peter James McCormick,1987 *African Traditional Medicine: Autonomy and Informed Consent* Peter Ikechukwu Osuji,2014-07-18 This book focuses on informed consent in African Traditional Medicine ATM ATM forms a large portion of the healthcare systems in Africa WHO statistics show that as much as 80% of the population in Africa uses traditional medicine for primary health care With such a large constituency it follows that ATM and its practices should receive more attention in bioethics By comparing the ethics of care approach with the ATM approach to Relational Autonomy In Consent RAIC the authors argue that the ATM focus on consent based on consensus constitutes a legitimate informed consent This book is distinctive insofar as it employs the ethics of care as a hermeneutic to interpret ATM The analysis examines the ethics of care movement in Western bioethics to explore its relational approach to informed consent Additionally this is the first known study that discusses healthcare ethics committees in ATM Neoliberalism and Imperialism: Dissecting the Dynamics of Global Oppression Tatah Mentan,2016-08-06 Today's neoliberal imperialism crushes all unfavourable conditions through multiple forms of oppression to ensure the creation of a world in its own image The systemic and structural oppression birthed by neoliberal imperialism once again reproduces and implements colonialism armed robbery on a global scale The difference between the old form and the new form is the scale of destruction and the overt use of Weapons of Mass Destruction Hence the militarization of the globe is a natural outcome In this book Professor Tatah Mentan argues that United Fruit Company for instance could not have flourished without the strong support of the Marines the U S State Department and all of its resources In fact the French the German the British and the Belgian financiers could not have been able to suck the blood out of their colonies without their legionnaires soldiers mercenaries preachers merchants and generals Specifically the Western colonial empires in the nineteenth century presented their penetration pillage and rape of Africa Asia and Latin America as modernization and tutelage aided by the ideology of survival of the fittest This conceit pervaded the entire Western bourgeois social science educational and religious institutions And today there is the same clear symbiotic relationship between business and the military Empirical realities demonstrate that companies like Microsoft could not enjoy its overwhelming prosperity without having the strong military that America has This is precisely why neoliberal imperialism operates alongside oppressive militarism war and dictatorship and must be disrupted to liberate mankind from its death grip **The Philosopher's Index** ,1979 Vols for 1969 include a section of
