**The Motherhood Business** Anne Teresa Demo, Jennifer L. Borda, Charlotte H. Kroløkke, 2015-11-13 The essays in *The Motherhood Business* examine how consumer culture both constrains and empowers contemporary motherhood The collection demonstrates that the logic of consumerism and entrepreneurship has redefined both the experience of mothering and the marketplace

**Mothers, Mothering, and COVID-19** Fiona J Green, Andrea O'Reilly, 2021-02-28 There has been little public discussion on the devastating impact of Covid 19 on mothers or a public acknowledgement that mothering is frontline work in this pandemic This collection of 45 chapters and with 70 contributors is the first to explore the impact of the pandemic on mothers care and wage labour in the context of employment schooling communities families and the relationships of parents and children With a global perspective and from the standpoint of single partnered queer racialized Indigenous economically disadvantaged disabled and birthing mothers the volume examines the increasing complexity and demands of childcare domestic labour elder care and home schooling under the pandemic protocols the intricacies and difficulties of performing wage labour at home the impact of the pandemic on mothers employment and the strategies mothers have used to manage the competing demands of care and wage labour under COVID 19 By way of creative art poetry photography and creative writing along with scholarly research the collection seeks to make visible what has been invisibilized and render audible what has been silenced the care and crisis of motherwork through and after the COVID 19 pandemic

**You're Doing it Wrong!** Bethany L. Johnson, Margaret M. Quinlan, 2019-04-19 New mothers face a barrage of advice from health practitioners to social media influencers telling them they re getting it wrong From the magazines and personal papers of the 19th century to the security compromising practice of Instagram feeds this book provides a provocative look at typical medical and caregiving practices during pregnancy childbirth and postpartum stages

***Photography and Migration*** Tanya Sheehan, 2018-06-14 Written in the context of unprecedented dislocation and a global refugee crisis this edited volume thinks through photography s long and complex relationship to human migration While contemporary media images largely frame migration in terms of trauma victimhood and pity so much more can be said of photography s role in the movement of people around the world Cameras can document enable or control human movement across geographical cultural and political divides Their operators put faces on forced and voluntary migrations making visible hardships and suffering as well as opportunity and optimism Photographers include migrating subjects who take pictures for their own consumption not for international recognition And photographs themselves migrate with their makers subjects and viewers as the very concept of photography takes on new functions and meanings *Photography and Migration* places into conversation media images and other photographs that the contributors have witnessed collected or created through their diverse national regional and local contexts Developed across thirteen chapters this conversation encompasses images histories and testimonies offering analysis of new perspectives on photography and migration today

**Enduring Shame**

Heather Brook Adams, 2022-05-17 A study of the rhetorical power of shame and its effect on reproductive politics Not long ago unmarried pregnant women in the United States hid in maternity homes and relinquished their illegitimate children to more deserving two parent families all to conceal shameful pregnancies Although times have changed reproductive politics remain fraught In *Enduring Shame* Heather Brook Adams recasts the 1960s and 70s an era of presumed progress as a time when expanding reproductive rights were paralleled by communicative practices of shame that cultivated increasingly public interventions into unwed and teen pregnancy and new forms of injustice Drawing from personal interviews archival documents legal decisions public policy journalism memoirs and advocacy writing Adams articulates how the rhetorical power of shame persuaded the American public to think about reproduction sexual righteousness and unwed pregnancy Despite the aspirational goals of reproductive liberation public sentiment frequently reflected supremacist beliefs regarding racial economic and moral fitness notions that informed new public policy *Enduring Shame* maps a range of experiences across these decades from women's experiences in homes for unwed mothers to policy and legal changes that are typically understood as proof of shame's dissipation including Title IX legislation and *Roe v Wade* Rhetorical historiography and questions of reproductive justice guide the analysis and women's testimonies provide essential perspectives and context Through these histories Adams articulates a network of language affect and embodiment through which shame moves expands rhetorical understandings of the discursive power of the identities of woman and mother and considers how the gendered raced and classed aspects of shame can help us understand and support reproductive dignity *Enduring Shame* recovers a misunderstood part of women's recent history by considering why reproductive politics continue to be so volatile despite previous gains and why shame still figures centrally in discourse about women's reproductive and sexual freedoms

*The Palgrave Handbook of Reproductive Justice and Literature* Beth Widmaier Capo, Laura Lazzari, 2022-09-10 This handbook offers a collection of scholarly essays that analyze questions of reproductive justice throughout its cultural representation in global literature and film It offers analysis of specific texts carefully situated in their evolving historical economic and cultural contexts Reproductive justice is taken beyond the American setting in which the theory and movement began chapters apply concepts to international realities and literatures from different countries and cultures by covering diverse genres of cultural production including film television YouTube documentaries drama short story novel memoir and self help literature Each chapter analyzes texts from within the framework of reproductive justice in an interdisciplinary way including English Japanese Italian Spanish and German language literature and culture comparative literature film South Asian fiction Canadian theatre writing gender studies Deaf studies disability studies global health and medical humanities and sociology Academics graduate students and advanced undergraduate students in Literature Gender Sexuality and Women's Studies Cultural Studies Motherhood Studies Comparative Literature History Sociology the Medical Humanities Reproductive Justice and Human Rights are the main audience of the volume

**School Choice and the Betrayal of**

**Democracy** Robert Asen, 2021-10-05 Evidence shows that the increasing privatization of K 12 education siphons resources away from public schools resulting in poorer learning conditions underpaid teachers and greater inequality But as Robert Asen reveals here the damage that market based education reform inflicts on society runs much deeper At their core these efforts are antidemocratic Arguing that democratic communities and public education need one another Asen examines the theory driving privatization popularized in the neoliberalism of Milton and Rose Friedman as well as the case for school choice promoted by former secretary of education Betsy DeVos and the controversial voucher program of former Wisconsin governor Scott Walker What Asen finds is that a market based approach holds not just a different view of distributing education but a different vision of society When the values of the market choice competition and self interest shape national education that policy produces individuals Asen contends with no connections to community and no obligations to one another The result is a society at odds with democracy Probing and thought provoking School Choice and the Betrayal of Democracy features interviews with local on the ground advocates for public education and offers a countering vision of democratic education one oriented toward civic relationships community and equality This book is essential reading for policymakers advocates of public education citizens and researchers

*Birth controlled* Amrita Pande, 2022-06-14 Birth controlled analyses the world of selective reproduction the politics of who gets to legitimately reproduce the future through a cross cultural analysis of three modes of controlling birth contraception reproductive violence and repro genetic technologies It argues that as fertility rates decline worldwide the fervour to control fertility and fertile bodies does not dissipate what evolves is the preferred mode of control Although new technologies like those that assist conception or allow genetic selection may appear to be an antithesis of other violent versions of population control this book demonstrates that both are part of the same continuum All population control policies target and vilify women Black women in particular and coerce them into subjecting their bodies to state and medical surveillance Birth controlled argues that assisted reproductive technologies and repro genetic technologies employ a similar and stratified burden of blame and responsibility based on gender race class and caste To empirically and historically ground the analysis the book includes contributions from two postcolonial nations South Africa and India examining interactions between the history of colonialism and the economics of neoliberal markets and their influence on the technologies and politics of selective reproduction The book provides a critical interdisciplinary and cutting edge dialogue around the interconnected issues that shape reproductive politics in an ostensibly post population control era The contributions draw on a breadth of disciplines ranging from gender studies sociology medical anthropology politics and science and technology studies to theology public health and epidemiology facilitating an interdisciplinary dialogue around the interconnected modes of controlling birth and practices of neo eugenics

***Mothering Rhetorics*** Lynn O'Brien Hallstein, 2020-03-03 Once only a topic among women in the private sphere motherhood and mothering have become important intellectual topics across academic disciplines Even so no book has yet devoted a sustained look at how exploring mothering rhetorics the rhetorics of reproduction rhetorics about the reproductive function of women mothers and reproducing rhetorics the rhetorical reproduction of ideological systems and logics of contemporary culture expand our understanding of mothering motherhood communication and gender *Mothering Rhetorics* begins to fill this gap for scholars and teachers interested in the study of mothering rhetorics in their historical and contemporary permutations The

contributions explore the racialized rhetorical contexts of maternity how fixing food is thought to fix families while also regulating maternal activities and identity how Black female breastfeeding activists resisted the exploitation of African American mothers in Detroit how women in pink collar occupations both adhere to and challenge maternity leave discourses by rhetorically positioning their leaves as time off and disability identifying verbal and nonverbal shaming practices related to unwed motherhood during the mid twentieth century and redefining alternative postpartum placenta practices This book was originally published as a special issue of Women's Studies in Communication

**After the Happily Ever After** Linda Rose Ennis, 2017 This book is about the two tiered system and invisible imbalance that operates within the framework of the family It is about the fantasy of the happily ever after which the wedding industry promotes and Western society reinforces Why are we hanging onto this faux happiness at the expense of our future well being Why don't we wonder what happened after they lived happily ever after and if in fact they really do What I hope to achieve by writing this book is to rattle the cage of young brides about to embark on this journey to talk about these issues with their future partners and to set the system up in a more equal way so no one is caught off guard if and when things crumble It will be difficult to achieve this task because no one wants to think about things falling apart before the marriage even begins and most certainly it sours the sweetness of the fantasy of the happily ever after as we know it What we don't realize is that there will be less bitterness and upset for the family especially for the children if we pursue this line of thinking Isn't that the real happily ever after

**Services Marketing** C. Bhattacharya, 2009 While most books on marketing and services are readable very few take the student's viewpoint and set out to answer the question Is it understandable in the affirmative This book and its pedagogy has been designed precisely with this in mind
