The Military Experience in the Age of Reason Christopher Duffy, 1987 What was war like in the Age of Reason for those who fought in it Duffy answers this question using research from archives notebooks letters diaries and memoirs The Journal of Military History, 1999 **Antiterrorismens idehistorie** Morten BrAender, Mikkel Thorup, 2007-11-01 Flyene mod New Yorks tvillingetarne bomben pa Bali bomber og giftgas mod busser tog og undergrundstog i London Madrid og Tokyo terrorismen er over os ogsa i Danmark Konsekvenserne har vAeret enorme bade i det store og det sma Love er blevet skAerpet og vi er nu underlagt skarp kontrol ned i mindste detalje i fx lufthavne Men kan vi som stat ruste os pa andre mader Ja denne bog giver det svar at en grundig idehistorisk orientering i bade terrorismen og bekAempelsen af den kan nuancere vores forstaelse af problemet og dermed gode grunden for en oplyst debat om hvilke indgreb vi som samfund finder nodvendige i kampen mod terrorismen *Slovinci in vojska, 1867-1914* Rok Stergar, 2004 **Sota Venäjällä, Venäjä sodassa** Pertti Luntinen, 2008 *Military Robots* Jai Galliot, 2016-04-22 Philosophers have wrestled over the morality and ethics of war for nearly as long as human beings have been waging it The death and destruction that unmanned warfare entails magnifies the moral and ethical challenges we face in conventional warfare and everyday society Intrinsically linked are questions and perennial problems concerning what justifies the initial resort to war who may be legitimately targeted in warfare who should be permitted to serve the military the collateral effects of military weaponry and the methods of determining and dealing with violations of the laws of war This book provides a comprehensive and unifying analysis of the moral political and social questions concerning the rise of drone warfare **The Military Memoir and Romantic Literary Culture, 1780-1835** Neil Ramsey, 2016-12-05 Examining the memoirs and autobiographies of British soldiers during the Romantic period Neil Ramsey explores the effect of these as cultural forms mediating warfare to the reading public during and immediately after the French Revolutionary and Napoleonic wars Forming a distinct and commercially successful genre that in turn inspired the military and nautical novels that flourished in the 1830s military memoirs profoundly shaped nineteenth century British culture s understanding of war as Romantic adventure establishing images of the nation s middle class soldier heroes that would be of enduring significance through the nineteenth and twentieth centuries As Ramsey shows the military memoir achieved widespread acclaim and commercial success among the reading public of the late Romantic era Ramsey assesses their influence in relation to Romantic culture s wider understanding of war writing autobiography and authorship and to the shifting relationships between the individual the soldier and the nation The memoirs Ramsey argues participated in a sentimental response to the period s wars by transforming earlier impersonal traditions of military memoirs into stories of the soldier s personal suffering While the focus on suffering established in part a lasting strand of anti war writing in memoirs by private soldiers such stories also helped to foster a sympathetic bond between the soldier and the civilian that played an important role in developing ideas of a national war and functioned as a central component in a

national commemoration of war **William Wordsworth's Golden Age Theories During the Industrial Revolution** M. Keay, 2001-09-26 Wordsworth's romantic critique of industrial life and society was backward looking His Golden Age ideal of pastoral life and rural relationships falls within the scope of English populism as found among the middle ranks of small independent producers and their ideologues Furthermore his rural education and upbringing in the remote North of England explain his long term shift from radical and whig reformer to tory placeman in the years 1789 to 1832 as well as his relative demise as a poet **Catalogue of Books in the Lending Library** Edinburgh (Scotland).
