The study of the history of rock music has exploded over the last decade; all college music departments offer a basic rock history course covering the classic artists and their songs.

**The Politics and Power of Bob Dylan's Live Performances** Erin C. Callahan, Court Carney, 2023-11-17 Ephemeral by nature, the concert setlist is a rich if underexplored text for scholarly research. How an artist curates a show is a significant aspect of any concert's appeal. Through the placement of songs, variations in order, or the omission of material, Bob Dylan's setlists form a meta narrative speaking to the power and significance of his music. These essays use the setlists from concerts throughout Dylan's career to study his approach to his material from the 1960s to the 2020s. These chapters from various disciplinary perspectives illustrate how the concert setlist can be used as a source to explore many aspects of Dylan's public life. Finally, this collection provides a new method to examine other musicians across genres with an interdisciplinary approach to setlists and the selectivity of performance. Unique in its approach and wide ranging scholarly methodology, this book deepens our understanding of Bob Dylan the performer.

*Bob Dylan's New York* June Skinner Sawyers, 2022 On a snowy winter morning in 1961, Robert Zimmerman left Minnesota for New York City with a suitcase, guitar, harmonica, and a few bucks in his pocket. Wasting no time upon arrival, he performed at the Cafe Wha! in his first day in the city under the name Bob Dylan. Over the next decade, the cultural milieu of Greenwich Village would foster the emergence of one of the greatest songwriters of all time. From the coffeehouses of MacDougal Street to Andy Warhol's Factory, Dylan honed his craft by drifting in and out of New York's thriving arts scenes of the 1960s and early 70s. In this revised edition, originally published in 2011, author June Skinner Sawyers captures the thrill of how a city shaped an American icon and the people and places that were the touchstones of a legendary journey.
