How the story started Milo a young mammoth used to live in a place with lots of green plants and tall mountains Milo was a friendly and curious little giant who loved life more than anyone else Since he could walk he couldn't stop wanting to find out more about the world around him He would walk through the woods sniffing the air with his little tail He was excited to find new places and meet new people His never ending curiosity had no limits so he often went to the farthest parts of the land where he found secret treasures and met animals of all shapes and sizes Milo loved every chance to learn about and enjoy the beauty of nature whether it was climbing tall trees or swimming in rivers with clear water Milo's sixth birthday was coming up and he was very excited to start school He was excited about going to school because he knew it would give him access to a whole new world of information and adventures He couldn't wait to meet other young animals and tell them what he had found On the morning of his sixth birthday Milo woke up with a spring in his step He knew that today was the first day of his learning adventure He ran over to his parents

swinging his trunk from side to side with joy Milo yelled to his parents Mama and Daddy today is my first day of school I can't wait to learn new things and make new friends Milo's parents Mabel and Oliver were proud of and loved their son They had watched him grow into a smart and curious young mammoth so they knew he was ready for this next step in his life Mabel got down on her knees and gave Milo a soft kiss Oh my brave little one we are so proud of you she cried Oliver said in a friendly deep voice You've always been hungry for knowledge and school will give you even more chances to learn and grow Milo you have a special talent It's great that you can make friends and find beauty in everything Keep that talent close to your heart and let it shine at your new school Milo nodded and listened to what they said He felt surer of himself when he knew his parents loved and supported him Milo ran to school with a quick breakfast and a bag full of school supplies He was excited and eager As Milo walked through the woods he couldn't help but notice the sights and sounds around him The bright colors of the flowers the soft rustling of the leaves in the wind and the sweet songs of the birds all seemed to celebrate his great day Squirrels climbing trees and bunnies hopping through fields seemed to know he was happy and waved to him Their smiles and words of encouragement sparked his drive and he ran faster He finally got to the school which was a beautiful building among the trees Its wooden building looked warm and inviting and the sounds of laughter and activity coming from inside made his heart skip a beat Milo took a big breath opened the door and walked in excited to start his first day of school Milo a small mammoth who was friendly and interested was about to go on a new journey He wanted to make a difference in the world of education with his love of travel natural generosity and never ending desire to learn He didn't know that his first day of school would be the start of a great journey full of learning friendship and lots of new things As Milo's first day of school got closer his mother Mabel was both excited and nervous As she watched her child grow and get better she saw how curious he was and how much he loved Mabel knew that school would give Milo a lot of new opportunities but she couldn't help being worried As she held Milo tightly her big tusks lightly touched his fur My dear Milo she smiled today is a very special day for you It's your first day of school and I'm so proud of you Milo looked up at his mother with big innocent eyes that were full of joy I can't wait Mama he told her I want to learn explore and make new friends The little girl's words filled Mabel's heart with love Milo would benefit from being excited but she couldn't get her mind off of her worries Milo is a young mammoth but even for him the world can be a big and strange place She said it softly as she moved a few strands of hair out of his face Milo my dear remember to be brave and kind School is a place where you'll meet new friends and learn new things But if you ever feel unsure or scared know that Mama and Papa are always here for you Milo nodded his trunk wiggling with determination I'll remember Mama I'll be brave and make you proud Mabel's worry went away when she saw how sure and eager Milo was She thought he was strong and kind enough to get through anything that came his way She whispered to him I believe in you my little explorer and she kissed his face Take on this new adventure and may it bring you joy for the rest of your life On Milo's first day of school Mabel got up early to make sure everything was ready for her son She

made him a healthy breakfast packed his favorite lunchbox in the shape of an acorn and put new papers and pencils in his new backpack As they walked hand in hand toward school Mabel couldn't help but feel sad Milo had just taken his first wobbly steps and now he was getting close to this important milestone As Mabel walked into the playground she looked around to see what was going on She saw other young animals each of which was having its own first day experience Squirrels with tiny backpacks ran by rabbits hopped around happily and young foxes chatted There was a lot of nervousness and excitement in the air Milo's trunk was firmly squeezed by Mabel Look Milo she pointed to the other animals and spoke You're not alone There are lots of new friends waiting to meet you Just be yourself and it won't take long for you to make friends Milo's eyes grew wide as he saw all the friendly faces He took a deep breath and then his worries started to go away He tightened his grip on his mother's back drawing power from her support Mama thank you for believing in me Milo said softly Mabel smiled brightly and her love for Milo could be seen in every part of her body You're my precious one Milo Your first day of school is just the beginning of an amazing journey Embrace it with an open heart and remember that your Papa and I are always here for you Mabel wrapped her arms around Milo as he walked confidently into the schoolyard his small frame surrounded by a world of possibilities Mabel couldn't help but feel a twinge of sadness as she felt a mix of excitement and worry Milo was getting older and more capable of taking care of himself every day she realized Mabel felt happy and sad as she watched her daughter take her first steps into the bigger world Milo's first day of school kept coming back to Mabel's mind all day She pictured him in a classroom with people he didn't know and she wondered how he was doing The hours seemed to go on forever and every minute brought a mix of joy and fear When school was finally over Mabel hurried to the playground to pick up Milo As she got closer she saw a group of young animals laughing and playing Milo stood out from the rest because his eyes were shining with happiness Mabel's heart jumped with relief and joy when she saw Milo get along with his new friends Every time he talked to someone his interest and friendliness stood out It was as if he had changed Milo had clearly gotten used to his new place and found his place in the busy world of school Milo ran over as soon as he knew his mother was coming waving his trunk with joy He said Mama Mama with a big smile on his face Mabel said You won't believe all the amazing things we did today Her fears were going away like morning fog Tell me everything my love I can't wait to hear all about your adventures As they walked home Milo was very excited as he told stories about his first day Mrs Hoots the smart owl who taught kids interesting things was talked about He talked about what they did during the break the friends he'd made and how exciting it was to find something new with his classmates Mabel listened carefully She was very proud of her young adventurer She couldn't believe how well Milo had not only adjusted to his new home but also done well in it Her worries were unfounded and her faith in Milo's toughness paid off
