108 Discourses on Awakening Mark Griffin, 2012-12-03 These are excerpts taken from the teachings of Meditation Master Mark Griffin relating concepts such as shaktipat the divine nature of breath and the alchemy a guru performs to help us transform into our realized Self One of the important themes you will find throughout the book is that our human form is a gift that allows us to awaken to eternal possibilities we never imagined Mark allows us to see our inherent divine nature and claim our universal inheritance which is to merge with the ocean of love or God from which we all emanate These verses cover concepts such as the nature of Kundalini the architecture of the human form the transformation process of awakening meditation and the challenges of living a spiritual life Each discourse is short enough to read as a daily inspiration and deep enough to totally reset your thinking and understanding of life itself This is volume 5 of the Essential Spiritual Training series from Hard Light Publishing Mark Griffin illuminates the process of awakening not with a flashlight but with a klieg light Finally a Westerner has undergone a profound and mysterious transformation and returned to illuminate the path for us all His enlightening and insightful book 108 Discourses on Awakening is perfect for quickly finding your daily inspirational reading Softcover book 166 pages 8 3 x 5 4 First Edition Published July 30 2004 Second Edition published Dec 2011 ISBN 13 978 0975902004

Arriving at Your Own Door Jon Kabat-Zinn, 2013-02-05 Mindfulness opens us up to the possibility of being fully human as we are and of expressing the humane in our way of being Mindlessness de facto closes us up and denies us the fullness of our being alive This book may on the surface appear to be merely another offering in the genre of daily readings But deep within these 108 selections lie messages of profound wisdom in a contemporary and practical form that can lead to both healing and transformation We so urgently need to rotate in consciousness in order to safeguard what precious sanity is available to us on this planet How we carry ourselves will determine the direction the world takes because in a very real way we are the world we inhabit Our world is continuously being shaped by our participation in everything around us and within us through mindfulness This is the great work of awareness Welcome to the threshold to the fullness of arriving at your own door

Book One Lama Losang, 2024-03-18 You are about to embark on a journey of discovery The practices of meditation and mindfulness found in this book ultimately lead to the awakening of wisdom and compassion You have already started on the path by establishing the interest and motivation to explore these tried and true methods for cultivating the mindfulness skills needed to bring you happiness and well being Anyone can directly experience the healing

benefits of these practices if applied consistently in daily life This book presents an exploration of the teachings of Buddha Shakyamuni These teachings are summarized by three aspirations that we practice and uphold 1 Cultivate excellent virtue in abundance 2 Avoid wrongdoing and harmful actions and 3 Completely tame your mind This is the essence the teaching and the subject of our study There are only two obstacles in attaining the happiness we seek first not starting on the path and second not continuing on the path to its destination You are about to take an important step forward on the path to awakening

Spiritual Awakening for Geeks, Volume 1 Jacob Gotwals, 2017-08-11 Most approaches to awakening simply aren't a good match for us geeks We're rational we value open minded critical thinking We're practical we want effective practices not just philosophy We're discerning we're looking for clarity and insight not just peace We're self directed we're not interested in handing our lives over to gurus or spiritual institutions Spiritual Awakening for Geeks is both a supportive spiritual community and a set of clear coherent practical approaches to awakening approaches that aren't tied to any particular religion or spiritual tradition This book is an exceptionally clear guide to cultivating two key aspects of awakening mindfulness and insight through meditation This is a practical step by step handbook for both beginning and experienced meditators It shows how to Increase your vitality and well being by creating a spiritual practice routine Free yourself from mental distraction and experience life more vividly through concentration meditation and other mindfulness practices Traverse nine milestones that guide you from complete distraction through beginning intermediate and advanced levels of concentration Transcend self and reality through insight practice Explore the relationships between self reality awareness and subjective experience as you access seven levels of insight Experience the freedom of living with no ultimate frame of reference Lack of clarity can lead to countless hours of inefficient meditation practice With this book and the support of the Spiritual Awakening for Geeks community you can avoid wasting time and efficiently attain the meditation results you're seeking

Parachin M. DIV,2020-10-15 This book presents mindfulness teachings via short insights or meditations Unlike many other books on mindfulness which provide a lot of theoretical explanation they tell about the subject this manuscript shows the reader with teaching stories how to put mindfulness into daily life Mindfulness simply means being alert aware attentive moment by moment The simplest definition of mindfulness is mental scrutiny The Buddha was consistently speaking about the practice and realization of mindfulness When asked Who are you my friend the Buddha replied directly and concisely I am awake Though that answer was an unusual way to define himself it pointed to the essence of Buddha s teaching When we have that mind skill the result of our living is positive as the Buddha noted All wholesome words deeds and thoughts have mindfulness as their root However if the mind is not trained the result of our living will show up much the opposite marked by forgetfulness and neglect The readings in this book offer gentle reminders about how to be mindful in our daily thoughts words and actions All too often we forget to be present We neglect to be mindful when eating listening speaking working studying seeing the sunrise and the sunset being with friends or sipping a cup of tea As a result we fail to live our lives to their fullest potential and experience the joy of living The Buddha who was the planet s most prominent practitioner of mindfulness taught this technique to others This book *Think Like the Buddha* offers reflections for 108 days of mindfulness The stories and lessons are brought together to provide insight information instruction and inspiration for the reader to cultivate this practice daily The book is very user friendly immediately applicable regardless of any background in Buddhism and is thus useful to complete beginners Mindfulness is more than stress release or mental focus It cannot be separated it from the ethical framework of Buddhism *Think Like The Buddha* retains this ethical component of Buddhism from which

mindfulness is derived The stories and teachings in this book cover a wide variety of specific topics from divorce to illness to losing a job to determining a course of action All these meditations are infused with the message of compassion that all today are hungering for
