pursuers draw too close Bethany stays behind to buy her sisters time to escape and she's captured She's turned over to a depraver who tarnishes her Now bald branded and barren she's worth less than the shadow she casts From this lowly place she leads the tarnished to overthrow the Grand Chancellor the man behind Chardonia's oppressive rules against women and the tarnished If they fail to defeat him and his supporters all will be lost Mine to Tarnish Katherine's place is the same as any woman's on the shelf next to the dresses and bolts of cloth When she's sold to a warlock life grows even bleaker Her new owner is as old and rancid as he is cruel driving her to do the unthinkable run Nothing prepared her for being on her own And she's definitely unprepared for the warlocks hunting her down But she must stay one step ahead because if caught the best she can hope for is death

When We Least Expect It Stephanie Rowe, 2024-07-19 If you can't stand the heat, get out of the wedding. From New York Times bestselling author Stephanie Rowe comes a hilarious and smart romantic comedy featuring a high stakes fake engagement between a sassy wedding planner committed to being single and her reclusive widowed landlord whose shadowy cop past makes him the worst possible match for her. Three time runaway bride Piper Townsend believes in four things: her friends, her career, staying single, and fulfilling the promise she made to her mom before she passed away. But when a series of wedding mishaps turns Piper into the viral hashtag of weddingkillerpiper, she must resurrect her reputation before she loses all she's fought for. The solution? A high profile fake engagement to her grumpy, anti-social, deliciously hot landlord Declan Jones, buried his heart three years ago along with a secret that still haunts him. All he wants is his sledgehammer, his privacy, and his job back. Dating? Never. Romance? Forget it. His sassy, sparkly tenant? She's the one breath of sunshine in his life, not that he'd ever admit it. When Piper proposes a fake engagement, it's the solution Declan needs. But can he fake date Piper, kiss her senseless, accidentally get caught in bed with her, and still keep his heart locked down? Of course he can. He's an ex-cop. He can handle the heat. Or can he?
