**The Burn Zone** Renee Linnell, 2025-07-30 After seven years of faithfully following her spiritual teacher Renee Linnell finally realized she was in a cult and had been severely brainwashed But how did that happen to someone like her She had graduated magna cum laude with a double degree She had traveled to nearly fifty countries alone before she turned thirty five She was a surf model and a professional Argentine tango dancer She had started five different companies and had an MBA from NYU How could someone like her end up brainwashed and in a cult The Burn Zone is an exploration of how we give up our power how what started out as a need to heal from the loss of her parents and to understand the big questions in life could leave a young woman fighting for her sanity and her sense of self In the years following her departure from the cult Linnell struggled to reclaim herself to stand in her truth and to rebuild her life And eventually after battling depression and isolation she found a way to come out the other side stronger than ever Part inspirational story part cautionary tale this is a memoir for spiritual seekers and those who feel lost in a world that makes them feel less than perfect

**Open Turns** Hendrika de Vries, 2025-09-02 If you believe in the power of dreams and intentions this inspirational coming of age memoir set in 1950s Australia where an immigrant girl swimmer turns challenges and disappointments into opportunities for success is for you Henny was just a little girl when she experienced brutal violence and hunger in WWII Amsterdam but she is now a teenage immigrant swimmer in 1950s Australia where she must learn to turn challenges into success She is smart she swims fast and she has definite opinions about the kind of woman she

intends to be She hears the timeless Land speak and sees the Southern Cross as a beacon when she walks in the bush with her father She enjoys swimming star fame and championship victories and turns to the pool in her search to belong to face fears and dashed hopes until at every turn she sees more clearly her unique path ahead Intentions are like prayers if you pay attention they come back as destiny her mother has taught her Is it intention or destiny that propels this young New Australian into her future long life

**Growing Up Asian in Australia** Alice Pung, 2008-06-01 Asian Australians have often been written about by outsiders as outsiders In this collection compiled by award winning author Alice Pung they tell their own stories with verve courage and a large dose of humour These are not predictable tales of food festivals and traditional dress The food is here in all its steaming glory but listen more closely to the dinner table chatter and you might be surprised by what you hear Here are tales of leaving home falling in love coming out and finding one's feet A young Cindy Pan vows to win every single category of Nobel Prize Tony Ayres blows a kiss to a skinhead and lives to tell the tale Benjamin Law has a close encounter with some angry Australian fauna and Kylie Kwong makes a moving pilgrimage to her great grandfather's Chinese village Here are well known authors and exciting new voices spanning several generations and drawn from all over Australia In sharing their stories they show us what it is really like to grow up Asian and Australian Contributors include Shaun Tan Jason Yat Sen Li John So Annette Shun Wah Quan Yeomans Jenny Kee Anh Do Khoa Do Caroline Tran and many more

**The Umpire Is Out** Dale Scott,Rob Neyer,2022-05 Dale Scott s career as a professional baseball umpire spanned nearly

forty years including thirty three in the Major Leagues from 1985 to 2017 He worked exactly a thousand games behind the plate calling balls and strikes at the pinnacle of his profession working in every Major League Baseball stadium and interacting with dozens of other top flight umpires colorful managers and hundreds of players from future Hall of Famers to one game wonders Scott has enough stories about his career on the field to fill a dozen books and there are plenty of those stories here He s not interested in settling scores but throughout the book he s honest about managers and players some of whom weren t always perfect gentlemen But what makes Scott s book truly different is his unique perspective as the only umpire in the history of professional baseball to come out as gay during his career Granted that was after decades of remaining in the closet and Scott writes vividly and movingly about having to play the game maintaining a facade of straightness while privately becoming his true self and building a lasting relationship with his future husband He navigated this obstacle course at a time when his MLB career was just taking off and when North America was consumed by the HIV AIDS epidemic Scott s story isn t only about his leading a sort of double life then opening himself up to the world and discovering a new generosity of spirit It s also a baseball story filled with insights and memorable anecdotes that come so naturally from someone who spent decades among the world s greatest baseball players managers and games Scott s story is fascinating both for his umpiring career and for his being a pioneer for LGBTQ people within baseball and across sports

My So-Called Punk Matt Diehl,2013-09-24 When it began punk was an underground revolution that raged against the mainstream now punk is the mainstream Tracing the origins of Grammy winning icons Green Day and the triumphant resurgence of neo punk legends Bad Religion through MTV s embrace of pop punk bands like Yellowcard music journalist Matt Diehl explores the history of new punk exposing how this once cult sound became a blockbuster commercial phenomenon Diehl follows the history and controversy behind neo punk from the Offspring s move from a respected indie label to a major to multi platinum bands Good Charlotte and Simple Plan s unrepentant commercial success through the survival of genre iconoclasts the Distillers and the rise of emo superstars like Fall Out Boy My So Called Punk picks up where bestselling authors Legs McNeil and Jon Savage left off conveying how punk went from the Sex Pistol s Anarchy in the U K to anarchy in the O C via the Warped Tour Defining the sound of today s punk telling the stories behind the bands that have brought it to the masses and discussing the volatile tension between the culture s old and new factions My So Called Punk is the go to book for a new generation of punk rock fans

**Malaysian Christians Online** Meng Yoe Tan,2020-02-26 Many facets of social life are now intrinsically linked to the Internet through increasing dependence of user centric platforms like blogs social networking websites online forums and open source websites The Malaysian Church is not exempt from having to negotiate with an increasingly tech savvy and networked community of believers Based primarily on Internet ethnography and interviews with Christian bloggers and church pastors this book looks at how the Internet is a component of everyday religion in the lives of Malaysian Christians at individual institutional and national levels It examines the ways in which online

Christian expressions are increasingly integrated into the everyday religious routines of Christians for the development of their personal identities and inter religious interactions This book also shows how the spiritual authority of church pastors can be both challenged and reinforced through the creative use of online tools It addresses some of the creative ways in which Christians utilise the Internet to engage with national socio political issues within the context of restrictive and controlled mainstream media as well as the ongoing discourse with Islam in the country Through a selection of case studies this book shows that while the Internet may be free the users of the Internet are not necessarily so While the Internet has provided Malaysian Christians with new tools to experience their faith in new ways several aspects of old offline socio cultural habits persist online These in turn lead to a robust and growing environment of Internet Christianity in Malaysia This timely book will be of interest to scholars in religious studies media and communications and cultural studies in Southeast Asia

**Novice Non-native English Language Teachers Navigating Agency** Mostafa Nazari, 2025-08-29 This novel edited volume looks at a previously under researched area of language teacher agency and identity by exploring the experience of novice pre and in service teachers for whom English is a second language and presents research gathered from Asia Europe South America and the US to bring underrepresented voices to the fore Divided into three sections together covering chapters on identity agency and professional competencies this book presents qualitative data on the lived experiences of novice teachers and the challenges they face to their sense of agency from personal histories and backgrounds institutional demands and sociocultural pressures Chapters take a case study approach to provide research on how the transition from theory to in classroom practice can be eased and strategies for coping with socio pedagogical challenges can be found With contributions from renowned and emerging scholars ultimately this book supports a better understanding of how novice teachers can navigate their agencies in a variety of contexts Engaging with the novel dimension of novice teachers agency in order to expand the boundaries of research this book will appeal to scholars researchers and postgraduate students in the fields of teachers and teacher education initial teacher training English language teaching and training and applied linguistics more broadly
