Fast into the Night Debbie Clarke Moderow, 2016-02-02 Moderow's dedication and love for the Huskies that accompany her from Anchorage to Nome is the soul that drives this insightful and touching memoir Cowgirl Magazine At age forty seven a mother of two Debbie Moderow was not your average musher in the Iditarod but that's where she found herself when less than 200 miles from the finish line her dogs decided they didn't want to run anymore After all her preparation after all the careful management of her team and after their running so well for over a week the huskies balked But the sting of not completing the race after coming so far was nothing compared to the disappointment Moderow felt in having lost touch with her dogs Fast into the Night is the gripping story of Moderow's journeys along the Iditarod trail with her team of spunky huskies Taiga and Su Piney and Creek Nacho and Zeppy Juliet and the headstrong leader Kanga The first failed attempt crushed Moderow's confidence but after reconnecting with her dogs she returned and ventured again to Nome pushing through injuries hallucinations epic storms flipped sleds and clashing personalities both human and canine And she prevailed A tale of survival loyalty and the mysterious connection between humans and dogs Fast into the Night is what may be the quintessential Iditarod story a great Alaskan adventure well told Dave Atcheson author of Dead Reckoning When a memoir magically materializes before your eyes striking all the right chords it's a wonder to behold truly beautiful In Fast into the Night that is precisely what Debbie Clarke Moderow graces us with Anchorage Press

**Looking for Alaska** Peter Jenkins, 2014-03-18 More than twenty years ago a disillusioned college graduate named Peter Jenkins set out with his dog Cooper to look for himself and his nation His memoir of what he found A Walk Across America captured the hearts of millions of Americans Now Peter is a bit older married with a family and his journeys are different than they were Perhaps he is looking for adventure perhaps inspiration perhaps new communities perhaps unspoiled land Certainly he found all of this and more in Alaska America's last wilderness Looking for Alaska is Peter's account of eighteen months spent traveling over twenty thousand miles in tiny bush planes on snow machines and snowshoes in fishing boats and kayaks on the Alaska Marine Highway and the Haul Road searching for what defines Alaska Hearing the amazing stories of many real Alaskans from Barrow to Craig Seward to Deering and everywhere in between Peter gets to know this place in the way that only he can His resulting portrait is a rare and unforgettable depiction of a

dangerous and beautiful land and all the people that call it home He also took his wife and eight year old daughter with him settling into a home base in Seward on the Kenai Peninsula coming and going from there and hosting the rest of their family for extended visits The way his family lived how they made Alaska their home and even participated in Peter s explorations is as much a part of this story as Peter s own travels All in all Jenkins delivers a warm funny awe inspiring and memorable diary of discovery both of this place that captures all of our imaginations and of himself all over again **SSC CGL 4 Year-Wise Tier II Solved Papers (2015-2019) with 2 Online Tests** Disha Experts,2020-06-10 The eBook SSC CGL 4 Year Wise Solved Papers of SSC Tier II Exam provides the past solved papers that have conducted in the various years 2015 2016 2017 and 2018 This eBook will provide you an idea of the scope of the questions that are asked in the stage 2 Exam The strength of the book lies in the originality of its question papers with solutions This eBook also provides 2 Online Tests for SSC CGL Tier 2 exam It is very useful for upcoming SSC Tier II exam **Dogs For Dummies** Gina Spadafori,2019-06-25 It s a doggy dog world and this easy to use guide will help you navigate it These days people s dogs have become bona fide members of the family Moving from the kennel to the couch they share our beds family rooms and holidays and they are recipients of our kindest and utmost concern A pet partnership is a lifetime commitment Do it right and your dog will become an important and valuable part of the family for many years Do it wrong and you ve broken a sacred covenant between humankind and another living being Dogs For Dummies 2nd Edition is for you if you are looking to adopt a dog trying to improve the relationship with the one you have or attempting to come up with fun things to do with your canine companion This book is also for people who want to Choose the right veterinarian Explore the dog breeding business Find breed rescue groups Identify canine health problems Look for a purebred Improve your chances at pet success by knowing how to raise and live with your dog properly Discover which breed best suits your lifestyle and if a puppy or adult dog is best for you Dogs For Dummies 2nd Edition also covers the following topics and more Caring for an aging dog Choosing collars harnesses halters and leashes Considering euthanasia Feeding Fido the right way House training puppies and adult dogs Keeping up appearances with good grooming Participating in canine competitions Preparing your dog for a disaster Traveling with your dog Award winning author Gina Spadafori says the lack of accurate information not the lack of effort or concern is often the reason for doomed people pet pairings With her help you can avoid the agony Dogs For Dummies 2nd Edition is full of useful tips how to advice illustrations and photographs both color and black and white You deserve a healthy happy and well mannered canine companion and you ll be the owner every pet wants and deserves informed responsible and loving P S If you think this book seems familiar you re probably right The Dummies team updated the cover and design to give the book a fresh feel but the content is the same as the previous release of Dogs For Dummies 9780764552748 The book you see here shouldn t be considered a new or updated product But if you re in the mood to learn something new check out some of our other books We re always writing about new topics **Ultimate Guide to SSC Combined Graduate Level - CGL Tier I &**
