displacement Covering a global range of women writers this book focuses on the psychoanalytic role of literature in helping recover the voices buried by intense pain and suffering and to help those voices be heard Literature brings the unconscious into being and focus reconfiguring life through narration These essays look at the relationship between traumatic experience Freedom to Learn Bruce Macfarlane, 2016-08-12 The freedom of students to learn at university is being eroded by a performative culture that fails to respect their rights to engage and develop as autonomous adults Instead students are being restricted in how they learn when they learn and what they learn by the so called student engagement movement Compulsory attendance registers class contribution grading group project work and reflective learning exercises based on expectations of self disclosure and confession take little account of the rights of students or individual differences between them This new hidden university curriculum is intolerant of students who may prefer to learn informally are reticent shy or simply value their privacy Three forms of student performativity have arisen bodily participative and emotional which threaten the freedom to learn Key themes include A re imagining of student academic freedom The democratic student experience Challenging assumptions of the student engagement movement An examination of university policies and practices Freedom to Learn offers a radically new perspective on academic freedom from a student rights standpoint It analyzes the effects of performative expectations on students drawing on the distinction between negative and positive rights to re frame student academic freedom It argues that students need to be thought of as scholars with rights and that the phrase student centred learning needs to be reclaimed to reflect its original intention to allow students to develop as persons Student rights to non indoctrination reticence in choosing how to learn and in being treated like an adult ought to be central to this process in fostering a democratic rather authoritarian culture of learning and teaching at university Written for an international readership this book will be of great interest to anyone involved in higher education policy and practice drawing on a wide range of historical and contemporary literature related to sociology philosophy and higher education The Contemplative Mind in the Scholarship of Teaching and Learning Patricia Owen-Smith, 2017-11-30 studies Cover THE CONTEMPLATIVE MIND IN THE SCHOLARSHIP OF TEACHING AND LEARNING Title Copyright Dedication Contents Acknowledgments Introduction Envisioning the Contemplative Commons 1 A Historical Review 2 Contemplative Practices in Higher Education 3 Challenges and Replies to Contemplative Methods 4 Contemplative Research 5 The Contemplative Mind A Vision of Higher Education for the Twenty First Century Coda References Index Digital Passages: Migrant Youth 2.0 Koen Leurs, 2025-10-01 Increasingly young people live online with the vast majority of their social and cultural interactions conducted through means other than face to face conversation How does this transition impact the ways in which young migrants understand negotiate and perform identity That's the question taken up by Digital Passages Migrant Youth 20 a ground breaking analysis of the ways that youth culture online interacts with issues of diaspora gender and belonging Drawing on surveys in depth interviews and ethnography Koen Leurs builds an interdisciplinary portrait of online

youth culture and the spaces it opens up for migrant youth to negotiate power relations and to promote intercultural Transitioning Students into Higher Education Angela Jones, Anita Olds, Joanne G. understanding Lisciandro, 2019-12-05 Transitioning Students in Higher Education focuses on the relationship between philosophy pedagogy and practice when designing programs units or courses for transitioning students to new educational spaces in the university environment The term transition is used to describe the academic as well as social movement and acculturation of students into new higher educational spaces This book offers both theoretical perspectives and real world practical examples that reveal the successes and challenges of implementing philosophically driven pedagogies with diverse transitioning cohorts Drawing on examples from Australia New Zealand US and Canada it writes through the relationship between philosophy pedagogy and how it can effectively shape the practice of transition and develop the flourishing student This book is split into three main sub themes Flourishing in Transition Engaging Diverse Cohorts and Challenges for Educators and sits at the intersections between philosophy and pedagogy in the practice of effectively engaging and transitioning different enabling groups This book will be of great interest to postgraduate students researchers and educators working in the areas of enabling or bridging education higher tertiary education distance learning and indigenous as well as culturally diverse **Enterludes** Nadine G., 2010-07-08 We should talk about love We should talk about lust We should talk about sex cohorts We should talk the aftermath We should talk about the spirit We can talk We must talk Lets converse Nadine G Enterludes is a collection of poetry that depicts a common human experience The reader takes a journey through love misdirection and finding self while exploring the entities one allows to enter ones life Chapter one Love explores the pitter patter we get in our hearts as children it explores the fantasies of love and begins to illustrate how these ideals often contradict the realities of love This section of the book discusses the feelings that love evokes which are often pleasant in nature However it also explores the concept of defining love and identifying whether or not one truly knows real love The ideals of love become more convoluted when lust enters the picture Chapter two Lust illustrates the temptation to move from that which is heart felt to that which is physically felt Lust is often described as a deadly sin Yet it is very alluring and promotes immediate gratification without any thought of consequence Lust is a powerful thought that often leads to actions Chapter three Sex acknowledges the feelings and emotions evoked when temptation wins and actions are taken It discusses a thirst quenched and the pleasures that arise from physical connection It also alludes to the dangers of acting with only the thought of immediate satisfaction without thought of long lasting consequence Chapter four The Aftermath becomes the voice of reason as one has to face the plethora of consequences that surround each decision IT explores the law of nature every action has a reaction Taking action of lust can cause consequences that can taint the beauty of love The dilemma then arises how does one know whether their actions are based on love or based on lust Chapter Five Spirit allows for the true definition of love to be explored by utilizing the lessons learned throughout the journey A higher level of consciousness is explored as both positive

and negative repercussions are deconstructed Love begins to be redefined and no longer partialized Spirit teaches a simple lesson what one allows to enter into the home will dictate how one lives It sparks the questions What is important to you What will you continue to allow into your life Is it a spirit of love Is it a spirit of lust Is it a spirit of sex Is it a spirit of self Is it a spirit of God What are your Enterludes The author Nadine G states penetration is lasting and deep touching every corner of your soul The truth the physical affects the body mind and spirit She encourages the reader to converse embrace your own Enterludes as life lessons and be mindful of all that enters your life The purpose of the book is to spark dialogue about love lust sex the aftermath and the spirit In her words lets converse Speaking from the Body Angie Chabram, Adela de la Torre, 2008-11-20 In compelling first person accounts Latinas speak freely about dealing with serious health episodes as patients family caregivers or friends They show how the complex interweaving of gender class and race impacts the health status of Latinas and how family spirituality and culture affect the experience of illness Here are stories of Latinas living with conditions common to many hypertension breast cancer obesity diabetes depression osteoarthritis rheumatoid arthritis dementia Parkinson's lupus and hyper hypothyroidism By bringing these narratives out from the shadows of private lives they demonstrate how such ailments form part of the larger whole of Latina lives that encompasses family community the medical profession and society They show how personal identity and community intersect to affect the interpretation of illness compliance with treatment and the utilization of allopathic medicine alternative therapies and traditional healing practices The book also includes a retrospective analysis of the narratives and a discussion of Latina health issues and policy recommendations These Latina cultural narratives illustrate important aspects of the social contexts and real world family relationships crucial to understanding illness Speaking from the Body is a trailblazing collection of personal testimonies that integrates professional and personal perspectives and shows that our understanding of health remains incomplete if Latina cultural narratives are not included Deepening Community Paul Born, 2014-03-10 Community shapes our identity quenches our thirst for belonging and bolsters our physical mental emotional and economic health But in the chaos of modern life community ties have become unraveled leaving many feeling afraid or alone in the crowd grasping at shallow substitutes for true community In this thoughtful and moving book Paul Born describes the four pillars of deep community sharing our stories taking the time to enjoy one another taking care of one another and working together for a better world To show the role each of these plays he shares his own stories as a child of refugees and as a longtime community activist It s up to us to create community Born shows that the opportunity is right in front of us if we have the courage and conviction to **Intimate Deception** Dr. Sheri Keffer, 2018-03-20 Nothing destroys trust like sexual betrayal Beyond broken pursue it vows a woman who discovers that the man she loves has been viewing pornography or having an affair must deal with devastating blows to her self image and self worth She must grapple with the fact that the man she thought she knew has lied and deceived her She may even bear the brunt of shame and judgment when the people around her find out Drawing

from her experience both as a marriage and family therapist and a woman who personally experienced the devastation of sexual betrayal Dr Sheri Keffer walks women impacted by betrayal through the pain and toward recovery She explains how the trauma of betrayal affects our minds bodies spirits and sexuality She offers practical tools for dealing with emotional triggers and helps women understand the realities of sexual addiction And she shows women how to practice self care develop healthy boundaries protect themselves from abuse or manipulation and find freedom from the burden of shame and guilt
