Online Paradise Promises Chronicles Self Declared Modern Day:

Paradise and Promises Marlowe Sand, 2015-12-11 Marlowe Sand recounts 15 years of relentless pursuit of liberation as a student of guru Andrew Cohen. For a woman from the remote English countryside destined to be a wife, mother, and ordinary professional, the meeting with a modern-day radical Buddha bore extreme consequences for her and her children. She develops her story in intriguingly deft strokes capturing the interior experiences of a person being drawn ever deeper into the cult setting of a charismatic and despotic guru. She invites the reader to share her experiences of love and liberation, pain and agony, and excruciating disillusionment. Marlowe Sand doesn't blame; instead, she paints a picture of a complex, dangerous phenomenon. While she is unambiguous about the destructive nature of this communal setting and each participant's responsibility for its co-creation, Marlowe's reckoning is with herself. *Paradise and Promises* is a spiritual memoir by coincidence, but more importantly, it is an audacious self-reflection on choices, consequences, and reconciliation. Almost anyone will find this stark coming-of-age narrative compelling. *Radical Transformations in Minority Religions* Beth Singler, Eileen Barker, 2021-11-21 All religions undergo continuous change, but minority religions tend to be less anchored in their ways than mainstream traditional religions. This volume examines radical transformations undergone by a variety of minority religions, including the Children of God, Family International, Gnosticism, Jediism, various manifestations of Paganism, LGBT Muslim groups, the Plymouth Brethren, Santa Muerte, and Satanism. As with other books in the Routledge Inform series, the contributors approach the subject from a wide range of perspectives; professional scholars include legal experts and sociologists specialising in new religious movements, but there are also chapters from those who have experienced a personal involvement. The volume is divided into four thematic parts that focus on different impetuses for radical change: interactions with society, technology and institutions, efforts at legitimation, and new revelations. This book will be a useful source of information for social scientists, historians, theologians, and other scholars with an interest in social change, minority religions, and cults. It will also be of interest to a wider readership, including lawyers, journalists, theologians, and members of the general public. *The New World*, 1843 **Holden's Dollar Magazine**, 1849 **Los Angeles Magazine**, 2005-06 Los Angeles magazine is a regional magazine of national stature.
