Making Makers

you with recipes to make your library come alive with creativity Easy to use step by step guidance helps you create engaging K 8 programs in science and technology arts and crafts and home skills that are perfect for the library setting The menu of ideas is broken into four types of programming Appetizers add a taste of the Maker movement to existing library programs Entrees present full programs for a lengthy one day event or a short series Side Dishes are programs you can use if you have limited staff budget space or any combination of those Desserts are low tech programs suitable for young children Each recipe includes extensions variations and curriculum tie ins that give you even more ways to present the program ideas whether to a different audience or as part of other related activities Programs that involve creating a Balloon Zip Line a Zen Garden or a Maker Marketplace will delight library users and generate activity and excitement in your library

In the Kitchen, 1550-1800 Madeline Bassnett, Hillary Nunn, 2025-10-01 *In the Kitchen* insists that the preparation of food whether imaginative physical or spatial is central to a deeper understanding of early modern food cultures and practices Devoted to the arts of cooking and medicine early modern kitchens concentrated on producing processing and preserving materials necessary for nourishment and survival yet they also fed social and economic networks and nurtured a sense of physical spiritual and political connection to surrounding lands and their cultures The essays in this volume illuminate this expansive view of cooking and aspire to show how the kitchen s inner workings prove tightly though often invisibly interwoven with local national and increasingly global surroundings Engaging with literary and historical methodologies including close reading recipe analysis and perspectives on gender class race and colonialism we begin to develop a shared theoretical and practical language for the art of cooking that combines the physical with the intellectual the local with the global and the domestic with the political
