Online Step Crisis Team Candace Calvert:

The Crisis Team Collection: By Your Side / Step by Step / Maybe It's You Candace Calvert, 2019-12-03 This collection bundles all three of Candace Calvert's Crisis Team novels into one e-book for a great value. **By Your Side** ER nurse Macy Wynn learned essential gritty lessons in the California foster care system: land on your feet and trust no one. She's finally located the fellow foster child she loves like a sister, but the girl's in deep trouble. Macy's determined to help no matter what it takes. Her motto is to make it happen in any situation life throws at her, even when she butts heads with an idealistic cop. Deputy Fletcher Holt believes in a higher plan, the fair outcome, and his ability to handle that by himself if necessary. Now he's been yanked from Houston; his mother is battling cancer, and he's attracted to a strong-willed nurse who could be the target of a brutal sniper. When everything goes wrong, where do they put their trust?

Step By Step Three years after a tragic accident left her a widow, ER nurse Taylor Cabot is determined to move on, checking off one item after another on her survival list. Her relationship with a handsome plastic surgeon even gives her hope for the last point: fall in love again. At least until crisis chaplain Seth Donovan steps back into her life, reawakening unanswered questions about her husband's death. While in San Diego to train community volunteers, Seth hopes to learn why Taylor is backing away from the crisis team and from their friendship. But nothing prepares him for the feelings that arise when he sees Taylor again and sees her moving on with another man. When a community crisis hits home and puts lives at risk, emotions run high and buried truths are unearthed. Will hope make the survival list?

Maybe It's You ER nurse Sloane Ferrell escaped her risky past, new name, zip code, job, and a fresh start. She's finally safe if she avoids a paper trail and doesn't let people get too close. Like the hospital's too smooth marketing man with his relentless campaign to plaster one lucky employee's face on freeway billboards, Micah Prescott's goal is to improve the Hope hospital image, but his role as a volunteer crisis responder is closer to his heart. The selfless work helps fill a void in his life left by family tragedy. So does a tentative new relationship with the compassionate, beautiful, and elusive Sloane Ferrell. Then a string of brutal crimes makes headlines, summons responders, and exposes disturbing details of Sloane's past. Can hope spring from crisis?

Step by Step Candace Calvert, 2016 As widowed ER nurse Taylor Cabot nears the end of her checklist for recovering from her husband's death, she finds her life disrupted by the return of crisis chaplain Seth Donovan and questions about her husband's death.

The Recipe Candace Calvert, 2016-02-19 In this heartwarming romance novella by Candace Calvert, hospital dietary assistant Aimee Curran is determined to win the Vegan Valentine Bake Off to prove she's finally found her calling. But while caring for one of her patients, the elderly grandmother of a handsome CSI photographer, Aimee begins to question where she belongs.

By Your Side Candace Calvert, 2015-02-19 ER nurse Macy Wynn learned essential gritty lessons in the California foster care system: land on your feet and trust no one.
