Edwards,2015-04-07 Trace Kogan will go to any length to protect those who need protecting That is the business he is in the business his father Casper Kogan started with Bryce Trexler more than thirty five years ago Trace spends day and night eliminating threats to clients so when the danger hits too close to home he won t let anything come between him and the woman who desperately needs his help His only fear the physical reaction he has to Marissa may pose a bigger danger to them both than the ghost that they find themselves up against Marissa Trexler has spent the last twelve months of her life in hiding tucked away in one safe house after another for her own protection The threat to her is real even if the reason is still unknown Strangely whoever is after her seems to find her no matter where she goes leading her family to believe it s an inside job So when the decision is made that Trace will provide personal protection she can t say no even if being close to him adds another level of danger and this one is to her heart Claim Nicole Edwards,2023-08-28 Volume 7 With each passing day I am learning new things about myself I have the men in my life to thank for that They are giving me the freedom to explore things I ve only ever fantasized about In doing so we are all accepting the complexity of our situation making compromises and taking risks When you fall in love with more than one man you can be certain that the highs and lows of a normal relationship are multiplied and they can be overwhelming at times Now that there are no more secrets between us there is nothing standing in our way We are free to move forward Except there are other forces at play Someone who knows the right card to play to ensure our happily ever after eludes us Possibly forever Volume 8 When you re determined enough you can accomplish almost anything That s my mantra as I deal with the upheaval my absence has caused Although they re slow to accept my apology the men in my life are coming around It helps that I want nothing more than to prove to them that

I m no longer a flight risk I ll do whatever it takes to ensure they know how much they mean to me Unfortunately I m not the only person fueled by fierce determination The man out to hurt me to punish those I care about has proven he s willing to do whatever is necessary to rip apart my life bit by bit He s a worthy adversary I ll give him that But no one could ve predicted his final move the one that could destroy everything we ve worked so hard to build Volume 9 When you give your heart to someone there s always the chance it can be broken When you give your heart to more than one person the chances are significantly greater My entire world has erupted in chaos and the lives of two men I love are in danger On the outside I m holding my head up but on the inside I m curling into a fetal position wishing someone would hold me so I don t fall apart It s coming I can feel it My heart can t handle the pain of not knowing whether Hawk or Creed will live through the night it can t process the fear that Garrison and Nick will meet the same fate I m stuck in this horrible void of nothingness as I wait for someone to give me a lifeline to hold onto I m starting to think it will never arrive and I ll be left to drift off into oblivion Volume 9 is the last book in the Primal Instincts series Although they endure some dark times love wins and this unconventional love story ends happily ever after As a bonus there s a glimpse of the future for Journey Creed Hawk Garrison and Nick Speechless Nicole Edwards,2016-06-07 He s suffering in silence Teague Carter a co owner of Pier 70 Marina has spent his life feeling rejected To the point that he has never allowed himself to get close to anyone He prefers it that way in fact But he refuses to believe that his destructive behavior might be something more than rebellion He s unable to speak Hudson Ballard Pier 70 s mechanic has been fighting his attraction to Teague for years He has stood by and watched the kid get more and more out of control but this time is the last If Teague wants to use sex to escape his problems Hudson is certainly willing to be the one to show him that he s good with more than just his hands Sometimes words aren t necessary There are fireworks when this out of control bad boy agrees to no strings with this tatted up dominating mechanic Can Teague and Hudson keep their emotions from getting involved in their arrangement Or thanks to the demons from their pasts will the darkness steal from them before they have a chance Mack Nicole Edwards,2020-03-03 Four years ago Mack Schwartz made a decision that would alter the course of his life Little did he know that walking away from the man he loved was only the beginning of a downward spiral Since then he s become nothing more than a puppet his son Daniel at the helm turning Mack s life not only upside down but inside out Against his better judgment Jeff Endsley didn t put up a fight when Mack walked away although his absence left a gaping hole in Jeff s life Now that Daniel has convinced Mack to sell Moonshiners and leave Coyote Ridge behind Jeff isn t sitting back and letting him make the decisions anymore Kaden & Keegan Nicole Edwards,2020-10-20 Bristol Newton has spent the past couple of years doing her best to keep her distance from Kaden and Keegan Walker Up to this point avoiding the sexy twins hasn t been as easy as she hoped it would be Thankfully she has a plan sign them up for the Fall Festival s auction and let some lucky lady win a date with them After all it s for a good cause Plus it ensures she doesn t get pulled under their spell She should ve known even that wouldn t be easy

When Kaden and Keegan have questions Bristol reluctantly agrees to dinner to explain the details That was her first mistake The second resulted in the hottest night of her entire life with the two sexiest men she'd ever met A night that would change all their lives in ways they never expected **Tomorrow's Too Late** Nicole Edwards,2018-05-29 [Fearless](#) Nicole Edwards,2016-04-11 He's the one who walked away Dare Davis one of the four owners of Pier 70 Marina has spent the past fifteen years of his life avoiding risks He considers himself fearless because he refuses to let anyone close enough to hurt him He's had his heart broken before he's not looking for it to happen again He's the one who let love slip through his fingers Noah Pearson a thirteen year veteran of the Austin Fire Department finds himself being roped into a favor by his mischievous stepsister When Milly invites him to come along on a cruise to the Caribbean he finds himself giving in What he doesn't know is that Milly's playing matchmaker However Milly's surprise backfires when Noah finds himself front and center with the man who slipped through his fingers fifteen years ago Some people believe in second chances Things heat up when the mischievous fun loving bad boy comes face to face with this smoking hot firefighter Now that Dare and Noah find themselves sharing a room on a week long cruise can they find a way to keep the peace and ignore their past Or thanks to the decisions they made long ago will they come full circle picking right back up where they left off [Bound in Darkness](#) Nicole Edwards,2020-04-14 Heaven refers to them as Misplaced Halos Humans don't even know they exist Like angels vampires have been protecting humans from demons while keeping to the shadows lurking in the darkness In return they've asked for nothing Until now After the heinous slaughter of his father the Alpha Vampire Kaj Courtenay finds himself taking on the role of the most powerful vampire in existence He's up against traitors out to topple him demons bent on eliminating the vampire race entirely and an archangel who has other plans for them It's all Kaj can do to maintain his focus but he knows it would be easier with the female who owns him heart body and soul at his side Problem is convincing her Acadia only knows a life of subservience She has spent fifteen hundred years bound to the Angels of Darkness her race used as their life source to maintain their existence on Earth Living out eternity at their mercy is her destiny beyond her control It has never been something she questioned Not until Kaj appeared in her life and gave her something to live for made her question her very existence Acadia knows resisting the powerful vampire is futile He holds her heart Problem is it isn't hers to give Kaj and Acadia must break the chains that have bound them to their pasts so they can embrace the future and conquer the enormous obstacles and ridiculous odds standing in their way And for the sake of all they must do it together **Overnight Love** Nicole Edwards,2015-04-01 Overnight Love is a novella that is tied to the Dead Heat Ranch series but can be read as a standalone and was originally published in the Cowboys Last All Night boxed set MacKenzie Catlay never expected a blind date to lead to one of the best nights of her life She also never expected sparks to fly when she runs into the sexy cowboy who helped her evade the drunken guy she was supposed to meet Lucas Burch wasn't looking for a woman when he finds himself coming to MacKenzie's rescue Twice But can Lucas look beyond the pain of his past and give in to her And can

A Coyote Ridge Christmas Nicole Edwards, 2019-11-26 Come back to Coyote Ridge for Christmas When Travis Walker finds himself uninspired about gifts for his family he realizes what he wants to give them doesn't come wrapped in a box with a shiny bow on top This year with the help of his brothers Travis is going to pull off a surprise that'll lay the groundwork for the Walker Christmas tradition going forward Of course Travis won't consider it a success unless he moves a few pieces on the proverbial chessboard while he's at it As for where those will eventually land well that's anyone's guess

Salvation in Darkness Nicole Edwards, 2020-02-11 Heaven refers to them as Misplaced Halos Humans don't even know they exist This faction of celestial warriors was sent here under the cover of darkness to protect humanity from Lucifer's demons In return for their servitude these warriors expect only one thing the love they were promised what angels refer to as an amourelot Never one to rely on luck or favor Eclipse isn't surprised when his first interaction with the female whose soul is destined for his results in death However he is caught off guard when the pretty blonde who was held at gunpoint by a two-bit human turns out to be sassy and fearless and not at all bothered by the mess that was made in that alley Orianna McKay has spent the past six years scouring the US in search of her sister She has put her entire life on hold hoping to locate Amber and bring her home to their mother What she doesn't understand is how one failed lead after another continues to take her right back to Nowhere Colorado Then he appears The handsome warrior who takes a bullet in an effort to save her What she doesn't realize is that warrior is an angel and nothing in her world is as it seems Eclipse's mission is to protect Orianna from the demons who are out to lay claim to her soul Somewhere along the way that mission changes priorities are shifted and destinies are revealed By the time the dust settles Orianna and Eclipse will learn that salvation comes in many forms

Unhinged Trilogy Nicole Edwards, Timberlyn Scott, 2018-05-27 This is the complete Unhinged Trilogy Have you ever met that someone who steals your breath with just a look That someone you can't stop thinking about no matter how hard you try I have I met her in a dream Never would I have expected her to step right into my reality though But she did Although I can't explain why Payton Fowler makes me want things I never imagined I could have She soothes the chaos in my head But she doesn't know who I really am and she doesn't see the darkness that lives inside of me She's supposed to be off-limits to me But that's not a problem because I've perfected the art of breaking the rules My name is Sebastian Trovato and this is the story of how I met the woman who unhinges me

Distraction Nicole Edwards, 2017-01-31

Filthy Hot Billionaire Nicole Edwards, 2022-04-19 Knox Montgomery My obsession with Emily Campbell started when she was fifteen years old Her age made her completely off-limits to me The fact that her father was married to my mother only made it socially frowned upon That was then This is now Emily's a woman now and our parents are no longer married However there are still complications Like the fact my mother stole seventy million dollars from me and her father was complicit in the crime When the time comes for them to repay that debt her father offers Emily up on a silver platter I turned him down because I'm many

things but certainly not a cliché. Instead I gave him an additional three years to get his affairs in order. He didn't know it at the time but that was more for me than for him. Not enough drama. Good because I've got another obsession. His name is Kieran O'Rourke. It started the day the Irishman introduced himself to me although I've never admitted that to anyone. Certainly not him. Nor did I give in right away because that would've been too easy. Complications are compounded when Emily believes I betrayed her and her family by taking back what was rightfully mine which only delays my plans. Being one of the wealthiest men in the world I have an endless supply of resources, a long list of things to keep me busy and an abundance of patience. No matter what I will introduce Emily and Kieran to one another and when I do life as we know it will be irrevocably changed. This is my story of obsession, betrayal and surrender. Some might say I have my work cut out for me. Good thing I enjoy a challenge. This is a standalone novel. **Beau** Nicole Edwards, 2018-10-23 **THEIRLOVEISUNDENIABLE** Happily married for four and a half years Beau and Ethan Walker are ready for the next phase in their lives. They want what so many people dream of. A baby. **THEIRCOMMITMENTISUNWAVERING** Expanding their family with a tiny bundle of joy isn't as easy for them as it is for the rest of the Walker clan. However they have options and they're willing to do what it takes because they've learned that the things worth fighting for aren't always easy but they are definitely worth it. **THEIRSTRENGTHWILLBETESTED** Despite their deep desire and their endless efforts to start a family there are outside forces working against them. Some they can see others they can't. Every step forward seems to take them two steps back. Only during their darkest moments do Beau and Ethan realize their true strength comes from the most important things they have: love, family and each other. **BEAU** is the sequel to **ETHAN**. Alluring Indulgence 5. While it can be read as a standalone since it occurs nearly five years after Beau and Ethan are married it is recommended that you read **ETHAN** to understand the true strength of these two men and the infallible bond of the Walker family. **Capture** Nicole Edwards, 2023-07-25 Volume 4 Do you know what happens when you try to build a house of cards in a windstorm? It doesn't work. And if you're lucky enough to lay a foundation and erect a few walls it only takes one misstep to throw the delicate balance out of whack and cause the whole thing to fall. That's one way to describe what it's like to date three men. Three handsome, intelligent, quick-witted men. They are also arrogant, sexy, domineering and overbearing. Did I mention frustrating? Because they can be. One more so than the others. As for the misstep that will send these precarious new relationships tumbling I think it's coming. Volume 5 I can't be sure whether this is the calm after the storm or the stillness that settles in before the next one. Either way my love life has flatlined and I'm grasping for a way to set things right. It should be simple except I'm questioning the decision I made. I know what I want. I'm just not sure how to go about making it work. Good thing the men in my life are. According to them when chaos disrupts your ideal sense of normalcy setting ground rules is the best way to rein it in. Just a few basics to keep things from falling apart. Only my men aren't calling these additional rules the basics. And normal? Well that's not a word I would use to describe what they have in store for me. Volume 6 As though dating three men isn't complicated enough now there are new

feelings to decipher and another threat creating chaos Only this time my stalker has stepped up his game and his actions send the men in my life into protective mode But not before I learn that they ve been lying to me since the day I met them These aren t little white lies either Or ones of omission no matter what Creed says These are the kind of lies used to package up secrets that have the ability to alter the entire foundation of our relationship This time I m not looking for space I m not walking away I want answers and they re going to give them to me What I don t realize is that getting them may very well set us on another course entirely Note from the author The Primal Instincts series was originally released in individual volumes Chase Capture and Claim are the combination of these volumes The stories are the same **Curtis Nicole**
Edwards,2016-03-15 I ve always believed for every person there was only one love that would last a lifetime I never understood quite what it meant until I met you though You re it for me Lorrie You are my love that lasts a lifetime Curtis Walker A love story 50 years in the making Curtis Walker has lived his life to the fullest and he attributes that to the woman who has always been by his side The one thing he knows with absolute certainty he can t live without her Especially not now A love that has withstood the test of time It s no secret that Curtis and Lorrie the proud parents of the seven wild and rowdy Walker brothers have found their happily ever after Now it s time for the emotional journey of how they got there
