L. Herring,2007-10-12 Many faithful Christians go weekly to church hear the word and read it for themselves Yet few realize the truths that go unnoticed just below the surface No I am not speaking of Bible codes The Bible has been described as a chest filled with treasures Some are old and comfortable while others are new and challenging Are you a seeker of truth Then dig into The Great Reflection *Become A Conscious Creator: A Return to Self-Empowerment* Lisa Ford,2007-03 Have you ever wondered How can I get what I want How can I lead a truly empowered life How can I make a difference in the world we share This stimulating and enlightening book is a practical guide for understanding and utilizing our creative abilities Lisa discusses how we are equipped with instruments of creation that are the matrix the power and the medium through which we create and shape our reality The tools innate within our Beingness are presented along with three methods to align magnetize and manifest what we want in our life You will learn how to Change what you are receiving into what you are truly creating Use thoughts and feelings toward true personal empowerment Use the laws of physics to align events within your life Maximize the creative components inherent within humanity Manifest what you want in your life utilizing three methods Overcome obstacles you encounter in the creative process **Exposing the Secrets of Sin** Abozos Abiodun,2019-11-30 It is quite alarming and overwhelming the rate at which many even the so called Christians and non Christians of this generation are wallowing in sin in spite of one s decision to let go of sin In fact all effort of prayer fasting and abstinence to keep away from sin seems not to be working One thing however is that once one fails to understand the nature of sin the working power of sin in one s life it will be very difficult to break from it Hence Exposing the Secrets of Sin is a book that has been written in depth and inspired by the Holy Spirit to expose the secrets of sins and its effects on humans This is because sin has become a yoke sting cankerworm burden and spirit that if one fails to understand its nature activities and effects one might remain in sin forever This book is therefore God s gift to you in all matter relating to sin which has been eating deep into your soul Why not take your time read digest and apply the words of this book to your life and see yourself overcoming the power and spirit of sin in your life Happy reading *Pastoral Counseling:Where One Encounters the Enormity of God's Love* Gerald V.
