**Mine Own Executioner, by Nigel Balchin** Nigel Balchin, **Mine Own Executioner** Nigel Balchin, 1966 **Mine Own Executioner. (Third Impression.)** Nigel Marlin BALCHIN, 1965 **The British Trauma Film** Adam Plummer, 2023-04-20 While the historical influence of psychoanalysis on Hollywood cinema has received considerable attention the same cannot be said for its influence on British cinema This book examines the central position that psychoanalysis occupies in British cinema in the years immediately following the Second World War Plummer uses a critical theory framework to understand the role that psychoanalysis plays in British culture at this time as an historical discourse and in British cinema as a narrative a cultural and an ideological discourse He defines these as arising within various areas of contemporary psychoanalytic thinking related to traumatic wartime experience sexual difference and the interplay between subjectivity and objectivity He analyzes six British films of the period *The Halfway House* *Dead of Night* *The Seventh Veil* *Madonna of the Seven Moons* *They Made Me a Fugitive* and *Mine Own Executioner* and demonstrates how psychoanalysis operates within them as a narrative and formal structuring mechanism He argues that this engagement enables these films to begin to address the emotional fallout of the war by creating safe representational spaces where contemporary audiences could engage with their own traumatic experiences While *The British Trauma Film* defines psychoanalysis as providing a language for British cinema at this time to confront the effects of wartime trauma it finds that it also operates within a normalizing ideological system designed to reproduce dominant pre war relations of political social and sexual power However in this group of films this system is often countered by subversive discursive forces that seem to be immanent to the films themselves **Mine Own Executioner** Nigel 1908-1970 Balchin, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Roy Ward Baker** Geoff Mayer, 2004 This book traces the career of Roy Ward Baker one of the great survivors of the British film and television industry He directed the landmark British film *Morning Departure* 1949 worked at Twentieth Century Fox in Hollywood in the early 1950s where he directed Marilyn Monroe and the best version of the Titanic disaster *A Night to Remember* in 1958 He then moved to television series such as *The Avengers* *The Saint* and *Minder* Later Baker re emerged as a major director of science fiction *Quatermass* and *The Pit* and horror films *Asylum* Geoff Mayer provides an industrial and aesthetic context in which to

understand the interrelationship between a skilled classical director and the transformation of the British film industry in the 1950s **Heroes and Heroism in British Fiction Since 1800** Barbara Korte, Stefanie Lethbridge, 2016-11-09 This book is about the manifestations and explorations of the heroic in narrative literature since around 1800 It traces the most important stages of this representation but also includes strands that have been marginalised or silenced in a dominant masculine and higher class framework the studies include explorations of female versions of the heroic and they consider working class and ethnic perspectives The chapters in this volume each focus on a prominent conjuncture of texts histories and approaches to the heroic Taken together they present an overview of the literary heroic in fiction since the late eighteenth century

**Prosthetic Agency** Gill Plain, 2023-07-13 Prosthetic Agency Literature Culture and Masculinity after World War II examines the social and psychic upheaval of demobilisation It maps the rapid transition from wartime regimentation to individual responsibility from intense homosociality to heteronormative expectations from normativity to disability and from uniformed masculinity to domestic citizenship This book considers some of the many ways in which popular culture of the time sought to mediate these difficult transitions exploring films popular fiction memoir and biography In particular the book explores how technology was imagined as a new space of masculine becoming and how disability was written represented and assimilated Through a focus on popular narrative this book explores the modes of masculinity promoted as ideally suited to national reconstruction and tries to make sense of a culture of rehabilitation that could not name or know itself as such

Margaret Tyler, 'Mirror of Princely Deeds and Knighthood' Joyce Boro,2014-07-01 Margaret Tyler's *Mirror of Princely Deeds and Knighthood* is a groundbreaking work being the first English romance penned by a woman and the first English romance to be translated directly from Spanish. As such it is not only a landmark in the history of Anglo-Spanish literary relations but it is also a milestone in the evolution of the romance genre and in the development of women's writing in England. Yet notwithstanding its seminal status this is the only critical edition of Tyler's romance. This modernized edition is preceded by an introduction which meticulously investigates Tyler's translation methodology, her biography, her proto-feminism and her religious affiliations. In addition it situates *Mirror* within the context of English romance production and reading, female authorship and the Elizabethan and Jacobean translation of Spanish romance. This edition will be of interest to scholars of gender studies and of English and Spanish Renaissance literature.
