**Ghastr Explores the Overworld Trilogy (an Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen))** Mark Mülle, 2017-02-20 GENRE Children s Adventure An Unofficial Minecraft Book for Kids  
Ages 9 12 Preteen Book 1 Life in the Overworld My name is General Ghastr I worked my hardest to become the leader of the  
Nether army so I could lead my great nation to victory against the Overworld army Now that I ve won the war my  
government gets to take some of the resources from the Nether The only problem is that mobs from the Nether don t spend a  
lot of time in the Overworld so we actually have no idea of what we should take That s why it is my job to explore the  
Overworld and find out what is worth taking and what we should leave to the humans and other mobs that live here Sadly the  
government doesn t exactly trust me to do this alone so they re making me team up with a puny human girl I have a feeling  
this trip around the Overworld isn t going to be what I expected Book 2 A Secret Mission My name is Ghastr but I used to be  
General Ghastr Now I am unsure of whether I am a general or not but I am sure that I am an adventurer I have recently come  
back from a tour of the Overworld with my new friend the human woman Chloe I went on my journey because I recently  
helped the Nether to win a war against the Overworld I may have done some less than honorable things to win the war but  
that s a story for an older diary Now that we have won the Nether has earned all of the resources they want from the  
Overworld On my trip around these strange lands I went through many biomes but I did not find many resources that the  
Nether would actually find useful I wrote my report and now I am waiting to hear back from the leader of the Nether herself  
My journey was great but I can t help but have a bad feeling that something awful is going to come out of all of this Book 3  
Ghastr to Nether and Back My name is Ghastr and I ve recently gotten a distressing message from none other than the Leader  
of the Nether herself She is coming to see me and right in the middle of a mission that she told me to go on I may have been  
sabotaging the mission a little but I did find some diamonds so she could be coming here for either reason I can t help but  
worry that she is coming about the sabotaging thing I just hope I am wrong If I am not wrong I don t even want to think  
about what could happen to me Maybe my friends could help me out Maybe I would have to go back to the Nether Maybe  
who knows what else Diary if you can wish me some luck I need it now more than ever Author s Note This short story is for
