I Am Victor Nasrul Haziq,2020-01-17 You can t kill anyone you are weak you are NOTHING Victor Lied on the ground as blood was flowing out of his neck where the piece of metal impaled him Just as life was leaving his body he began to experience flashbacks about

his younger self There was always one question in his mind What made him the psychotic murderer that he was Never in his entire life he would imagine that someone would be able to end his life After all he has always been the killer not the one who is killed His flashbacks reminded him of his childhood memories some that he would pay a lot to get them erased from his mind As his flashbacks continue he started to feel that maybe he wasn't dying after all Seeing that Alexia the person who tried to kill him is now dead he began to wonder if he has any form of connection to her other than being her son in law He decided that if he is going to die he would at least try to figure out why Alexia was murdered The Publishers Weekly
