## **Opel Astra Manual De Usuario:**

**Manual de gestión de la relación con los clientes** Raquel Sánchez Fernández, David Jiménez Castillo, 2020-07-20

Construir y mantener una relación duradera con los clientes es fundamental para la supervivencia de cualquier negocio en el largo plazo. Esta afirmación se ha convertido en un auténtico eslogan que se repite una y otra vez en cualquier foro académico y profesional. Pero es tan importante estrechar y cuidar la relación con los clientes. Existen múltiples factores que explican y justifican la necesidad de desarrollar una adecuada gestión de la relación con los clientes por parte de cualquier tipo de organización. La naturaleza cambiante de los clientes, el poder que les ha concedido la tecnología en las relaciones comerciales, la amplia oferta existente en el mercado y la gran cantidad de estmulos comerciales que reciben a diario los consumidores hacen que la captación de clientes sea cada vez menos efectiva. La interacción mas difícil y la fidelidad de los clientes a las empresas ciertamente inestable. Todos estos factores han provocado que numerosas empresas replanteen las acciones dirigidas a clientes y las centren no solo en la atracción y captación de nuevos clientes sino también en la retención y fidelización de los clientes actuales, es decir, en estrechar las relaciones con ellos. El objetivo de este manual es acercar al lector a los principales conceptos básicos y prácticos en materia de gestión de la relación con los clientes de una forma pedagógica, dinámica y pragmática. La consecución de este objetivo se fundamenta en el equilibrio entre tres pilares fundamentales: la teoría y el conocimiento, las aplicaciones prácticas y una adecuada metodología de enseñanza-aprendizaje. En este sentido, el manual incluye no solo un conjunto de conocimientos teóricos y conceptos básicos explicados de la manera mas clara y didáctica posible sino también una amplia gama de ejemplos donde se aplican los conceptos teóricos a situaciones actuales de la actividad empresarial. Se han utilizado multitud de recursos didácticos tales como ejemplos, ilustraciones, gráficos, cuadros de advertencia, casos de estudio o enlaces de Internet para hacer que el aprendizaje sea interesante y agradable. Los sucesivos capítulos del manual permitirán definir de forma clara y precisa en qué consiste la gestión de la relación con los clientes desde un punto de vista estratégico así como justificar su importancia y conocer su implementación en el ámbito empresarial.
