The Illustrated Encyclopedia of 20th Century Weapons and Warfare Bernard Fitzsimons,1971 ***Holy Wars*** Gary L. Rashba,2020-01-10 A compelling tale of how this spiritually and politically charged area of the globe has long been a place of pivotal battles Library Journal Today s Arab Israeli conflict is merely the latest iteration of an unending history of violence

in the Holy Land a region that is unsurpassed as witness to a kaleidoscopic military history involving forces from across the world and throughout the millennia Holy Wars describes three thousand years of war in the Holy Land with the unique approach of focusing on pivotal battles or campaigns beginning with the Israelites capture of Jericho and ending with Israel's last full fledged assault against Lebanon Its chapters stop along the way to examine key battles fought by the Philistines Assyrians Greeks Romans Arabs Crusaders and Mamluks the latter clash at Ayn Jalut comprising the first time the Mongols suffered a decisive defeat The modern era saw the rise of the Ottomans and an incursion by Napoleon who only found bloody stalemate outside the walls of Akko The Holy Land became a battlefield again in World War I when the British fought the Turks The nation of Israel was forged in conflict during its 1948 War of Independence and subsequently found itself in desperate combat often against great odds in 1956 and 1967 and again in 1973 when it was surprised by a massive two pronged assault By focusing on the climax of each conflict while carefully setting each stage Holy Wars examines an extraordinary breadth of military history spanning in one volume the evolution of warfare over the centuries as well as the enduring status of the Holy Land as a battleground

Israel's Lightning Strike Simon Dunstan, 2012-02-20 The Israeli Special Forces operation at Entebbe goes down in history as one of the most audacious counter terrorist assaults ever conducted On 27 June 1976 four terrorists two of the Popular Front for the Liberation of Palestine and two of the German Baader Meinhof terrorist group hijacked a passenger jet and forced a landing in Entebbe Uganda Here they were met by reinforcements and although releasing a few hostages transferred all the Jewish and Israeli prisoners to the terminal building As Idi Amin's assistance to the terrorists became increasingly clear the Israeli government began preparations for a military assault The element of surprise was crucial never before had such a large scale raid at such a long distance been successfully undertaken This is the incredible story of how the Israeli Special Forces defied radar for over 2 000 miles masqueraded as a tyrant in a Mercedes and captured uniforms and defeated an army in brutal combat in a triumph of sheer audacity and nerve A compelling book chronicling an incredible moment in history
