Разнообразный игровой процесс позволяет игрокам самим выбирать пути прохождения игры, открывая бесчисленные возможности.

Существует три активно поддерживаемых издания Minecraft: **Java Edition** (ПК), **Bedrock Edition** (Windows, мобильные устройства и консоли), и **Minecraft Education** (для образовательных учреждений). Существует также локализованная версия игры для материкового Китая.

Эл Свейгарт, 2018-11-13 Minecraft Minecraft **Remembering the War, Forgetting the Terror** Ekaterina V. Haskins, 2024-03-19 Russian state propaganda has framed the invasion of Ukraine as a liberation mission by invoking the Soviet era myth of the Great Patriotic War 1941 45 in which the Soviet people led by Russia saved the world from the greatest evil of the twentieth century At the same time the Russian government has banned civil society institutions and initiatives that remind the country of the legacy of Soviet political violence Remembering the War Forgetting the Terror explores the appeal of the cult of the Great Patriotic War and the waning public interest in Soviet political terror as intertwined trends Ekaterina V Haskins argues that these developments are driven not only by the weaponization of the official memory of World War II but also by familial pieties and deep seated habits of memory Haskins uncovers how widely shared practices of remembrance have taken root and flourished through recurring exposure to war films urban environments popular commemorative rituals and digital archives Combining scholarship and personal biography Haskins illuminates why despite the staggering toll of World War II and internal political violence on Soviet families most Russian citizens continue to proudly embrace their family s participation in the war effort and avoid discussion of domestic political persecution Elegantly written and convincingly argued this book is an important intervention into contemporary rhetoric and memory studies that will also appeal to broader audiences interested in Russia Eastern Europe and the war in Ukraine
