**Diary of a Minecraft Steve & Louis** Steve and Louis, 2017-07-05. Purchase the Paperback and Get the Kindle Edition Free or use Kindle Unlimited. My name is Steve and I've recently finished my training to become an adventurer, which means that it's time to go out on my first real adventure. Luckily, my best friend has also finished his training. Did I mention that he's also my twin? His name is Louis, and the two of us have been together well since we were born. We are going to begin our first adventure to a place that we have heard about for all of our lives: the Temple of Isea. It is rumored to be in the jungle just outside of our village. I say that it's rumored to be there because no one actually knows if it is real or not. Louis and I are going to be the ones to find out the truth. I hope that Louis and I can get through this adventure alright. Even though we are identical twins, we don't exactly have identical personalities. I like to think of myself as an easy-going guy, but Louis is much more serious. I want to go on this adventure mostly to explore, but Louis is most excited about finding the treasure. Sure, he can be a bit greedy at times, but at least he's good with a sword. This adventure is going to be filled with monsters, treasure, and a whole bunch of craziness. I can just tell already. I bought this journal to record everything I see on my journey. I just know that one day my adventure is going to go down as one of the most epic tales in history.
