## **Naked Spirituality A Life With God In 12 Simple Words:**

Naked Spirituality Brian D. McLaren, 2024-06-11 Rich brilliant wonderfully readable and personal filled with insight and wisdom it invites us into practices that can transform our lives Marcus J Borg author of *Speaking Christian* In the same way he revitalized our faith in *A New Kind of Christianity* church leader Brian McLaren reinvigorates our approach to spiritual fulfillment in *Naked Spirituality* by tearing down the old dogmatic practices that hamper our spiritual growth and leading us toward the meaningful spiritual practices that can help transform our lives *Naked Spirituality* offers accessible practical wisdom for living a truly spiritual life Staying true to Jesus's core message while engaging faithfully with our postmodern world McLaren presents a proven spiritual program for engaging in and sustaining a meaningful relationship with God Brian McLaren is a bridge builder In these simple yet profound spiritual practices he perfectly marries his evangelical heart and contemplative soul and we are all richer for the union Cynthia Bourgeault author of *Centering Prayer* and *The Wisdom of Jesus* Wise easy to read and practical Fr Richard Rohr author of *The Naked Now* McLaren's trademark persuasiveness is put to good effect as he continues to shatter paradigms for spiritual seekers Library Journal starred review Anyone wanting to conserve the spiritual spark in themselves will find this book a gentle and generous tract Publishers Weekly McLaren deserves endless thanks for reminding us that estrangement and no do not represent a breakdown of the spiritual life *Naked Spirituality* is very astute Christian Century

**Naked Spirituality** Brian D. McLaren, 2012-09-25 Christianity is in crisis Many sincere Christians feel their traditional Christian practices are in danger of becoming irrelevant empty rituals In his previous book *A New Kind of Christianity* Brian D McLaren offered new biblical models for how we understand the central ideas of a faith that provides hope for restoring and reinvigorating the power of the gospels to transform us and our communities In *Naked Spirituality* McLaren takes his prophetic work a step further by confronting how the lack of a simple doable durable spirituality undermines the very transformation God is calling us to undergo As a result our religious structures become tools to maintain the status quo and not catalysts for personal and social change McLaren presents a four stage framework for understanding the spiritual life and he unfolds spiritual practices appropriate to each stage Each practice is rooted in a simple word here thanks O sorry help please when no why behold yes and silence *Naked Spirituality* offers accessible practical wisdom for living a truly spiritual life Staying true to Jesus's core message while engaging faithfully with our postmodern world McLaren presents a proven spiritual program for engaging in and sustaining a meaningful relationship with God

**A Quiet Pentecost** Dwight H. Judy, 2013-02-01 During the past 30 years a quiet revolution has taken place in Christianity People of all ages are finding the need for daily prayer Many are encountering Jesus anew through ancient yet new forms of prayer Quiet Pentecosts are happening as Christians engage in spiritual practices Congregations feel the power of the Holy Spirit at work as they participate in thoughtful reading of scripture walking the labyrinth prayerful listening to one another spiritual direction and more At a time when denominations are

declining and the church seems to be fighting for survival Dwight Judy sees hope for the future in the practices of spiritual formation The practices of spiritual formation take us outside of the noisy and frenetic activity our popular culture encourages Judy writes We need to be taught how to be together in a spirit of respectful listening to one another We will not learn this art from our television commentators We will rarely witness such moments of genuine care in national or international politics In *A Quiet Pentecost* he recounts the stories of more than 40 congregations being transformed by spiritual practices This book addresses the following topics evangelism and spiritual formation praying the scriptures lectio divina spiritual practices in small groups healing prayer multisensory worship evening prayer and Taiz congregational discernment prayer ministries health and wellness ministries centering prayer and much more A wonderful resource for churches and individuals interested in reenergizing their spiritual life Perfect for laypersons or clergy who want guidance in establishing or expanding spiritual formation ministries also helpful for seminary classes

**Mindful Spirituality** Duncan S. Ferguson, 2018-02-28 The world contrary to popular understanding is not less religious but in many ways more religious than ever Two issues seem to be emerging in this resurgence One is the need for a spiritual center that gives integration a sense of inner peace ethical guidance and meaning and direction in life It is present in most of the world's great religious traditions and present elsewhere as humans seek to find their way in a confusing conflicted and rapidly changing world Accompanying this quest for a deeper spirituality is the God question and a desire to understand the divine in new ways that match a contemporary worldview This book *Mindful Spirituality* invites the reader to find a thoughtful credible and satisfying way to address these two major concerns While starting within a Christian frame of reference the book is not exclusive but ecumenical and interfaith in spirit It is especially helpful to those with no set spiritual pathway and those disenchanted with traditional approaches that seem out of date and for another era In a deep and sacred way it invites the reader to reach upward for a thoughtful way of understanding transcendence to open inward for a mature and gratifying spirituality and to expand outward in responsible and loving service

**Saint Ignatius Loyola--The Spiritual Writings** Saint Ignatius (of Loyola), Mark Mossa, 2012 Excerpts from *The Spiritual Exercises* his autobiography and his collected letters and instructions provide direct insights from Ignatius about the role of humility obedience discernment sin and self-awareness in spiritual life

*Spirituality Matters in Social Work* James R. Dudley, 2016-03-02 Offering a focus that is lacking or not clearly evident in most spirituality books Dudley addresses specific ways of incorporating spirituality into practice and integrates many of the contributions of other writers into an overall eclectic practice approach His approach revolves around many of the core competencies of the EPAS accreditation CSWE 2008 Most of the core competencies are addressed with an emphasis on professional identity ethical practice critical thinking diversity practice contexts and a major practice framework of the book the practice stages of engagement assessment intervention and evaluation

**Freedom All The Way Up** Christian J. Barrigar, 2017-05-19 *Freedom All The Way Up* proposes four intertwined elements that make up the meaning of life self

worth purpose identity and hope Materialism atheism claim the universe has no meaning so there is no larger purposeful story into which we can place ourselves we are left on our own to construct meaning for our lives Barrigar argues though that the universe possess God s meaning and purpose to provide the space and conditions by which to bring about the existence of agape capable beings in agape loving relationships with God and with others In effect the universe is a great freedom system designed by God with freedom built in all the way up from the Big Bang to the emergence of big brains and free will Barrigar describes the emergence of this system through his novel agape probability account of God s design for the universe which integrates such disciplines as quantum physics statistical mechanics probability theory evolutionary psychology neuroscience and game theory This system sets up the conditions for a fundamental choice between autonomous freedom which focuses principally on self and agapic freedom which focuses principally on God and on others Materialism chooses autonomous freedom but thereby introduces nihilism into each of the elements of meaning In turns out that nihilism is a much greater problem for Materialism than suffering is for Theism In contrast agapic freedom infuses self worth purpose identity and hope with God s agape love dispelling Materialism s inherent nihilism Freedom All The Way Up provides a dramatic new proposal for God and the meaning of life in our scientific and humanist age      *Spiritual Building Blocks* Marshall Welch,2015-09-26 *Spiritual Building Blocks* takes the greatest commandment and uses it as the cornerstone in building a spiritual foundation to help notice Gods presence in our everyday lives Part 1 begins by unpacking the greatest commandment into six essential parts God the self our neighbor our head our heart and our hands The opening chapters answer common questions about spirituality and its relationship with religion Part 2 presents a variety of spiritual practices and exercises using our head heart and hands as building blocks to nurture our spiritual lives as we love God the self and our neighbors Some of these practices may be new while others may be familiar but reframed in a new way Personal stories by everyday people illustrate many of these exercises *Spiritual Building Blocks* was written for individuals or small groups interested in deepening their spiritual lives      **The Logic of Intersubjectivity** Darren M. Slade,2020-08-27 To survey harsh criticisms against Brian Douglas McLaren 1956 readers gain the inaccurate impression that he is a heretical relativist who denies objective truth and logic While McLaren s inflammatory and provocative writing style is partly to blame this study also suspects that his critics base much of their analyses on only small portions of his overall corpus The result becomes a caricature of McLaren s actual philosophy of religion What is argued in this book is that McLaren s philosophy of religion suggests a faith based intersubjective relationship with the divine ought to result in an existential appropriation of Christ s religio ethical teachings When subjectively internalized this appropriation will lead to the assimilation of Jesus kingdom priorities thereby transforming the believer s identity into one that actualizes Jesus kingdom ideals The hope of this book is that by tracing McLaren s philosophy of Christian religion future researchers will not only be able to comprehend and perhaps empathize with McLaren s line of reasoning but they will also possess a more nuanced discernment of where they

agree and disagree with his overall rationale      **Flunking Sainthood** Jana Riess, 2011-11-01 This wry memoir tackles twelve different spiritual practices in a quest to become more saintly including fasting fixed hour prayer the Jesus Prayer gratitude Sabbath keeping and generosity Although Riess begins with great plans for success Really how hard could that be she asks blithely at the start of her saint making year she finds to her growing humiliation that she is failing not just at some of the practices but at every single one What emerges is a funny yet vulnerable story of the quest for spiritual perfection and the reality of spiritual failure which turns out to be a valuable practice in and of itself Praise for Flunking Sainthood Flunking Sainthood is surprising and freeing it is fun and funny and it is full of wisdom It is in fact the best book on the practices of the spiritual life that I have read in a long long time Lauren Winner author of Girl Meets God and Mudhouse Sabbath Jana Riess reminds us that saints are different from most of us They are special we are barely normal They get it right we rarely get it They see God we strain to see much of anything And Jana is no saint Rather than climbing to the pinnacle and sitting on a pedestal to tell us how it could be Jana slides right next to us and reminds us that sainthood is overrated With humor and insight she whispers to us that our lives matter just as they are She prods us to never let our failures hold us back She calls us to something greater than spiritual success ordinary faithfulness Flunking Sainthood is the book I'm giving to my friends who are seeking to make sense of their emerging faith Doug Pagitt author of A Christianity Worth Believing Jana Riess may have flunked at sainthood but she's written a wonderful book It's both reverent and irreverent and it will make you want to become a better Christian or Jew or Muslim or Zoroastrian or Jedi or whatever you happen to be AJ Jacobs author of The Year of Living Biblically Warm light hearted and laugh out loud funny Jana Riess may indeed have flunked sainthood but this memoir assures us that she is utterly and deeply human and that is something even more wonderful Honest and sincere she will endear you from page one Donna Freitas author of The Possibilities of Sainthood With a helpfully hilarious account of her own grappling with godliness Jana Riess proves to be a standup historian well practiced in the art of oddly revivifying self deprecation She loves her guides historical and contemporary even as she finds them alternately impractical harsh or infuriatingly jolly The book is freaking wonderful a candid and committed tale of prayers that resists supersizing and spirituality that has no home save the glory and the muck of the everyday David Dark author of The Sacredness of Questioning Everything Jana Riess's new book is a delight fun funny engaging and a powerful reminder that the greatest work in our lives is not what we'll do for God but what God is doing in us Margaret Feinberg [www.margaretfeinberg.com](http://www.margaretfeinberg.com) author of Scouting the Divine and Hungry for God Flunking Sainthood allows those of us who have attempted new spiritual practices and failed to breathe a great sigh of relief and to laugh out loud Jana Riess's exposé of her year long and less than successful attempts at eleven classic spiritual practices entertains and educates us with its honesty and down to earthiness In spite of Jana's paltry attempts at piety and her botched prayer makeovers God showed up in the surprising sneaky ways that only God does Jana is the kind of girlfriend I like to have hilarious smart stubborn irreverent and totally gaga over God She

about our human imperfections and heartily confident of grace Marjorie Thompson author of Soul Feast Jana is a thoughtful wise and compassionate guide to the life of the spirit and this book will be a daily gift to all of us who are flunking sainthood but hope to raise our GPA Greg Garrett author of The Other Jesus Relax spiritual slackers Somebody else has done all the reading Now you have a book of poetic inspiration Bible verses current bestsellers and ancient thinkers one for each day Skip a day No guilt Don't understand You'll catch up What's the point Try doing it anyway Seriously Hilariously Lillian Daniel author of When Spiritual But Not Religious Is Not Enough

**Missional. Monastic. Mainline.** Elaine A. Heath, Larry Duggins, 2014-01-30 Here is the long awaited volume that provides both the theoretical foundations and practical guidance for developing new monastic and missional communities in contexts that are theologically progressive racially and economically diverse and multicultural This book contains the wisdom and perspectives of people who live and serve in missional new monastic communities in United Methodist and other mainline traditions and it describes new forms of theological education that are emerging to resource a new generation of Christian leaders Heath and Duggins challenge Methodists Lutherans Episcopalians Presbyterians and other Christians to reach into their own robust mainline heritage for resources to develop small intentional communities that practice a rigorous life of prayer hospitality and justice

**Please Pass the Faith** Elsie Rempel, 2012-07-05 By 2030 almost one third of North Americans will be over age 65 How will this affect the church Author Elsie Rempel believes that the swelling ranks of new seniors represent a huge spiritual resource In Please Pass the Faith she draws from real life and from Christian formation experts in helping seniors and other adults foster relationships with children and youth She also offers practical ideas for integrating children and youth into church life all the while nurturing one's own spiritual life as an elder Each page sings Rempel's commitment to faith transmission through activities presence and storytelling Marlene Harder Bogard minister of Christian formation Western District Conference of Mennonite Church USA

**The Church Alumni Association** Robert P. Vande Kappelle, 2021-08-10 Many people today including Christians of deep conviction are deciding for one reason or another to stop attending church They have been swept up by the avalanche in America known simply as the nones thereby joining the ranks of the religiously unaffiliated dubbed the church alumni association or perhaps more accurately believers in exile by Anglican Bishop John Shelby Spong Research shows that during the first two decades of the twenty first century a seismic shift occurred in the U S population away from religious institutions and toward disaffiliation While the causes and effects of this dislocation are varied and numerous by 2015 the phenomenon of shrinking faith communities was so widespread that nones became the third largest religious identity in the world behind Christians and Muslims Today there are more religious nones than Catholics or evangelicals and 36 percent of those born after 1981 do not identify with any religion Does this shift mark a loss of spirituality or do these changes point to a new global religious awakening one that affirms religious pluralism and views faith relationally rather than dogmatically as a way of the heart and not of the head While some Christians are staying put

experiencing the current shift in traditional church settings this book proposes a new understanding of the church a new pattern and vision for Christian living and thinking that can transform our understanding of God others nature and ourselves Useful for individual or church study each chapter of The Church Alumni Association concludes with questions for discussion and reflection

**Outgrowing Cultic Christianity** Robert P. Vande Kappelle,2021-04-27 We live in a time of religious warfare not just between different religions but also between those with differing versions of the same faith This religious distrust and political conflict may be the worst in American history since the Civil War Speaking as a progressive conservative biblical scholar Robert Vande Kappelle uses a four stage model of faith development to rethink core Christian doctrines Starting with current events and a discussion on the role of religion this book examines how inadequate faith development makes people of faith susceptible to misinformation conspiracy thinking and even to cultic mindsets People of faith do not choose to believe a lie they all want to believe what is true Hence it is surprising that in the realm of religion so many people are willing to rely upon untested and even highly disputed beliefs beliefs most received as children Unfortunately many of these teachings are based upon ancient hopes and fears rather than upon factual historical information Taken literally dualistic teachings concerning heaven and hell sin and salvation good and evil and apocalyptic beliefs such as the end times and the imminent return of Christ to earth are questionable not only because they are beyond historical and scientific verification but also because they can be misused by authoritarian leaders to control and mislead devout individuals Thankfully there is a way to outgrow cultic Christianity The path to spiritual maturity comes by restoring the role of religion a form of spirituality discovered not by addition but by a process of subtraction Outgrowing Cultic Christianity is useful for individual or group study Each chapter concludes with questions suitable for discussion or reflection

**Following Jesus** Alison Morgan,2015-04-30 There seems to be a growing consensus around Discipleship as the greatest challenge facing Christians in the West and as usual Alison Morgan has not only identified the key issue but also provided a lucid and practical insight into what it means I love her writing Somehow she manages to combine substantial scholarship with highly personal reflection and down to earth illustration so this book like her previous work is easy to read as well as intellectually and spiritually stimulating If you are looking for something to excite people about Christian discipleship this is it from the foreword by Bishop James Newcome

**The Sword of the Lord** Andrew Himes,2011 This book brings the story of fundamentalism to life through the generations of the Rice family immigrants soldiers farmers slaveowners refugees and preachers from publisher description

**Here, Now, With You** Gregg Louis Taylor,2019-02-19 In Here Now with You Gregg Louis Taylor invites the reader to pay attention to six ways of experiencing God s animating movement of compassion Grounded in the real life context of experience and the encouragement of relatable stories plus providing an interactive process for meaningful conversations reflection and application two questions shape the book s content 1 What every day experiences open the door to compassion s movement in our lives 2 How do we recognize and embrace such encounters to
