Exalt His Name, Jesus Westwick Abijah Williams, 2022-04-12 The name Jesus identified the Son of God as a man It was a common Jewish name meaning savior or deliverer Jesus grew up perceived as a member of the local community It was his baptism at age 30 that marked his anointing and attaining the title of Christ now the anointed one the one sent from God The name Christ distinguished him from all others named Jesus It identified him as the Son of God Jesus Christ combined the Son of God and the son of man Jesus chose to be the son of man so he might redeem lost mankind restoring it to the status of his creation sons of God In the name Jesus Christ is enshrined immortal glory as well as the omnipotence and omniscience of God the Father The common name Jesus is elevated above all other names to be expressive of the divine characteristics of the Christ the Son of God Jesus the son of man elevates mankind to the status of Christians the sons of God This book presents a challenge to Christians to rise above the limitations of our fallen humanity to grasp the unlimited potentials embodied in the name Christ and to be like Jesus Christ We must follow Christ's example in daily living internalizing and practicing the precepts he taught and get intimate with him through prayer We are expected by God to fulfil the mission and destiny of Christians When we succeed all our differences will give way to Christ's likeness and the unity oneness for which Jesus prayed in John 17:17 **Victorious Life Hymns** Charles M. Alexander, 1919 *"In Jesus' Name"* David A.

Reed, 2019-08-26 *In Jesus Name* tells the story of the third stream of Pentecostalism which emerged during the formative years of the Pentecostal Revival This is the first comprehensive study of the origins history and theology of Oneness Pentecostalism the heterodox movement expelled from the Assemblies of God in 1916 for its rejection of the doctrine of the Trinity and insistence on water baptism in the name of the Lord Jesus Christ Reed traces the movement now estimated at 14 million world wide to its Pietist and Evangelical roots Its distinctive doctrine is a radical trajectory of a christocentric reaction that had already begun in early Pentecostalism Reed's study shows the inadequacy of the label of heresy in light of its thoroughgoing Pentecostal identity and theology of the Name of God This title was granted the PNEUMA award for 2009

Curtis, 2011-12 This book is chock full of religious quotations that are intended to inspire convict and challenge as well as to comfort encourage and console the reader Whether you read these quotations casually or study them diligently may they provoke insightful thought As a bonus the abbreviated life stories of selected authors have been included in the appendix Doris Curtis a retired English teacher and now in her 80's first developed a keen interest in laconic quotations in the 1960's when she began posting them on the blackboard of her classroom In the 1980's she began scribbling quotations down in her journals and daily planners For many years her friends suggested that she compile her quotations in a book However it wasn't until April 2010 that she and her son Bryan co-author began the arduous task of compiling the quotations as well as identifying the source of each quotation During the compilation exercise Bryan also found additional insightful quotations which have been included as well This is

Macchia,Terry L. Cross,Andrew K. Gabriel,2024-02-08 The essays in this volume evaluate and build on Barth s theology from the perspective of Pentecostal theology and thereby contribute to constructive Pentecostal systematic theology by using Barth as a valuable dialogue partner At present a theological conversation of Pentecostals with Barth does not exist and this volume fills this void More widely it will aid all those who seek a convergence of the Word and the Spirit in theology Barth and Pentecostals share some important common theological interests Barth s mature theology has a decidedly christological emphasis Likewise historically Pentecostals have often spoken of a full gospel with an emphasis on Christ as savior healer baptizer in the Spirit and soon and coming King with some Pentecostal traditions also adding a fifth emphasis on Christ the sanctifier Furthermore near the end of his life Barth anticipated the possibility of a theology of the third article a theology where the Holy Spirit would dominate and be decisive The realization of Barth s dream is no doubt coming to pass in part through the development of Pentecostal theology in as much as pneumatological theology exploring how pneumatology affects supplements and might reform other doctrines is an emerging paradigm for Pentecostal theology      **Catalog of Copyright Entries** Library of Congress.
