Loendorf, 2002      Blanket Weaving in the Southwest Joe Ben Wheat, 2022-06-21 Exquisite blankets sarapes and ponchos handwoven by southwestern peoples are admired throughout the world Despite many popularized accounts serious gaps have existed in our understanding of these textiles gaps that one man devoted years of scholarly attention to address During much of his career anthropologist Joe Ben Wheat 1916 1997 earned a reputation as a preeminent authority on southwestern and plains prehistory Beginning in 1972 he turned his scientific methods and considerable talents to historical questions as well He visited dozens of museums to study thousands of nineteenth century textiles oversaw chemical tests of dyes from hundreds of yarns and sought out obscure archives to research the material and documentary basis for textile development His goal was to establish a key for southwestern textile identification based on the traits that distinguish the Pueblo Navajo and Spanish American blanket weaving traditions and thereby provide a better way of identifying and dating pieces of unknown origin Wheat s years of research resulted in a masterful classification scheme for southwestern textiles and a book that establishes an essential baseline for understanding craft production Nearly completed before Wheat s death *Blanket Weaving in the Southwest* describes the evolution of southwestern textiles from the early historic period to the late nineteenth century establishes a revised chronology for its development and traces significant changes in materials techniques and designs Wheat first relates what Spanish observers learned about the state of native weaving in the region a historical review that reveals the impact of new technologies and economies on a traditional craft Subsequent chapters deal with fibers yarns dyes and fabric structures including an unprecedented examination of the nature variety and origins of bayeta yarns and with

tools weaves and finishing techniques A final chapter constructed by editor Ann Hedlund from Wheat s notes provides clues to his evolving ideas about the development of textile design Hedlund herself a respected textile scholar and a protégé of Wheat s is uniquely qualified to interpret the many notes he left behind and brings her own understanding of weaving to every facet of the text She has ensured that Wheat s research is applicable to the needs of scholars collectors and general readers alike Throughout the text Wheat discusses and evaluates the distinct traits of the three textile traditions More than 200 photos demonstrate these features including 191 color plates depicting a vast array of chief blankets shoulder blankets ponchos sarapes diyugi mantas and dresses from museum collections nationwide In addition dozens of line drawings demonstrate the fine points of technique concerning weaves edge finishes and corner tassels Through his groundbreaking and painstaking research Wheat created a new view of southwestern textile history that goes beyond any other book on the subject Blanket Weaving in the Southwest addresses a host of unresolved issues in textile research and provides critical tools for resolving them It is an essential resource for anyone who appreciates the intricacy of these outstanding creations

**Bitter Water** Malcolm D. Benally, 2011-05-15 Many know that the removal and relocation of Indigenous peoples from traditional lands is a part of the United States colonial past but few know that in an expansive corner of northeastern Arizona the saga continues The 1974 Settlement Act officially divided a reservation established almost a century earlier between the Din Navajo and the Hopi and legally granted the contested land to the Hopi To date the U S government has relocated between 12 000 and 14 000 Din from Hopi Partitioned Lands and the Din both there and elsewhere continue to live with the legacy of this relocation Bitter Water presents the narratives of four Din women who have resisted removal but who have watched as their communities and lifeways have changed dramatically The book based on 25 hours of filmed personal testimony features the women s candid discussions of their efforts to carry on a traditional way of life in a contemporary world that includes relocation and partitioned lands encroaching Western values and culture and devastating mineral extraction and development in the Black Mesa region of Arizona Though their accounts are framed by insightful writings by both Benally and Din historian Jennifer Nez Denetdale Benally lets the stories of the four women elders speak for themselves Scholars media and other outsiders have all told their versions of this story but this is the first book that centers on the stories of women who have lived it in their own words in Navajo as well as the English translation The result is a living history of a contested cultural landscape and the unique worldview of women determined to maintain their traditions and lifeways which are so intimately connected to the land This book is more than a collection of stories poetry and prose It is a chronicle of resistance as spoken from the hearts of those who have lived it [Working on the Railroad, Walking in Beauty](#) Jay Youngdahl, 2011-10-23 For over one hundred years Navajos have gone to work in significant numbers on Southwestern railroads As they took on the arduous work of laying and anchoring tracks they turned to traditional religion to anchor their lives Jay Youngdahl an attorney who has represented Navajo workers in claims with their railroad employers since 1992 and

who more recently earned a master's in divinity from Harvard has used oral history and archival research to write a cultural history of Navajos work on the railroad and the roles their religious traditions play in their lives of hard labor away from home
