Experiencing Trauma Institute **Snowstorms and Androgyne** , **Bright Eyes** Bridey Thelen-Heidel, 2024-09-24 Fans of Jennette McCurdy's *I'm Glad My Mom Died* will root for Bridey Thelen Heidel as she struggles to unshackle herself from her mother's chaos in this triumphant debut memoir. Bridey is tethered to her mother's addiction to dangerous men who park their Harley Davidsons in the house and kick holes in all their doors. Raised to be her mother's keeper, rescuer, and punching bag, Bridey gets used to stuffing her life into black trash bags, hauling them between Alaska and California, and changing schools every time her mother moves in a new monster or runs away from one. Desperately seeking the normal life she's observed in sitcoms and her friends' families, Bridey earns her way into a fancy private college where she tries to forget who she is until her mother calls with a threat that drops Bridey to her knees. Watching doctors and police interrogate her mother at the hospital, Bridey realizes her mother has become a monster herself, and she doesn't want to be saved. But Bridey does. **Bright Eyes** is about the indomitable spirit of a young girl forced to be brave, required to be resilient, and conditioned to be optimistic, and how she ultimately uses the same traits that helped her to survive her mother's chaos to create her own happily ever after.
