**Narratology and Biblical Narratives** D. Francois Tolmie, 1999 *Reading Biblical Narrative* J. P. Fokkelman, 1999-01-01 Narrator characters action hero quest plot time and space entrances and exits these are the essential components of all narrative literature This authoritative and engaging introduction to the literary features of biblical narrative and poetry will help the reader grasp the full significance of these components allowing them to enter more perceptively into the narrative worlds created by the great writers of the Bible

**The Oxford Handbook of Biblical Narrative** Danna Nolan Fewell, 2016 The Oxford Handbook of Biblical Narrative is a state of the art anthology that highlights biblical narrative s aesthetic characteristics its ethical and religious appeal its organic qualities as communal literature its witness to social and political negotiation and its uncanny power to affect readers and hearers across disparate time frames and global communities

Reading the Wife/Sister Narratives in Genesis Hwagu Kang, 2018-10-31 The book of Genesis introduces three similar wife sister narratives commonly thought to be originating from different sources because of their repetitive entries This research explores the wife sister narratives in Genesis Gen 12 10 13 1 20 1 18 and 26 1 11 and it aims to provide an understanding of the three stories as a whole by uncovering its context by textlinguistic and literary type scene analysis Textlinguistic analysis helps us to see how each wife sister narrative functions in its context while type scene analysis emphasizes how the three narratives develop and contribute to the patriarchal narratives through their similarities and variations Although the traditional type scene analysis studies recurrent fixed motives in texts this study focuses much more on literary aspects such as characterization theme and plot Through this study the three wife sister stories will elaborate that the patriarchal narratives are not results of different authors but the well developed products of a single author The three wife sister stories work together to highlight God s faithfulness to his promises Gen 12 1 3

*Like Mount Zion* Wen-Pin Leow, 2024-03-11 Critical spatial approaches particularly those informed by the scholarship of Lefebvre Foucault and Soja have significantly impacted biblical scholarship over the last twenty years However these spatial approaches have been limited due to the methodological challenges inherent in transposing the social scientific approaches of the aforementioned scholars to the task of biblical interpretation This volume adapts conceptual metaphor theory as a methodological bridge to address such constraints The first half of the volume begins by surveying the field of critical

spatiality in biblical studies arguing for the need for fresh methodological development Thereafter the volume delineates a particular critical spatial approach inspired by Lefebvre and Foucault for which conceptual metaphor theory is proposed as a methodological bridge The second half of the volume begins by proposing the Psalms of Ascents as a case study upon which the method could be applied It is then argued that the proposed method if efficacious should provide insight on corpus Zion theology and its so called pilgrimage character Using the proposed method in conjunction with conventional historical grammatical tools of poetic analysis each psalm is analysed with regard to its metaphor and spatiality The volume concludes that the case study demonstrates the efficacy of the proposed methods by allowing a rich reading of each psalm especially by explicating the spatial narratives and or spatial metaphorical conceptualisations that underlie each text and providing fresh insight on the collection as a whole This volume has been awarded the 2024 Rev Dr Lien Hwa Chow Memorial Foundation s Outstanding Theological Research Book Award This award is to recognize and promote outstanding theological research and publications by Chinese scholars

Exemplary Life Andy Chambers, 2012-11-01 Exemplary Life articulates Luke s vision for life together in a local church using key passages from Acts 2 42 47 4 32 35 and 5 12 16 known as summary narratives as the starting point of reference Although Luke is rightly acclaimed as the church s first historian he was a powerful writer and theologian as well He also planted churches with Paul and had definite convictions about what life together in the church should look like Yet Luke s theology of church life is underemphasized in modern scholarship downplayed by issues rising from the historical critical method However when the summary narratives are studied through the lens of narrative and rhetorical criticism Luke s strategy is unmistakable Those passages cast a vision for life together in an exemplary church drawn from the historical circumstances of the church in Jerusalem These narratives also serve as a starting point for studying church life throughout Acts When the church planting movements in Samaria Antioch Ephesus and Troas are examined we find echoes of the narratives almost constantly These amplify and drive home Luke s message in the summary narratives Taking this path twenty distinct characteristics of exemplary church life emerge From repentance and Scriptural authority to praying together and earning the respect of neighbors each one is thoughtfully presented here by author Andy Chambers to reassert Luke s voice in 21st century conversations about the faithful formation of New Testament churches

**Character Studies in the Fourth Gospel** Hunt, et al, 2016 Using various narrative approaches and methodologies an international team of forty four Johannine scholars here offers probing essays related to individual characters and group characters in the Gospel of John These essays present fresh perspectives on characters who play a major role in the Gospel Peter Nicodemus the Samaritan woman Thomas and many others but they also examine characters who have never before been the focus of narrative analysis the men of the Samaritan woman the boy with the loaves and fishes Barabbas and more Taken together the essays shed new light on how complex and nuanced many of these characters are even as they stand in the shadow of Jesus Readers of this volume will be challenged to consider the Gospel of John anew

**We Live By** R. Ruud Ganzevoort, Maaikje de Haardt, Michael Scherer-Rath, 2013-10-31 Stories have always been important in religion but systematic explorations of the narrative dimensions of religion are more recent and interdisciplinary explorations of narrative approaches in theology and religious studies are scarce *Religious Stories We Live By* paves the ground for these much needed interdisciplinary conversations It first offers philosophical psychological and epistemological reflections on the importance of narrative approaches in the study of religion The subsequent sections contain case studies and disciplinary overviews of narrative perspectives in biblical empirical systematic and historical approaches in theology and religious studies Combined the contributions showcase the potential of narrative perspectives in bridging theology and religious studies as well as descriptive and normative approaches Narrative perspectives offer a fruitful common ground for the study of religion Contributors include Angela Berlis Marjo Buitelaar James Day Maaikje de Haardt Marieke den Braber Luco van den Brom Marjet Derks Toke Elshof Dorothea Erbele Koster John Exalto Ruud Ganzevoort Joep van Gennip Annelies van Heijst Chris Hermans Liesbeth Hoeven Anne Marie Korte Edwin Koster Marit Monteiro Michael Scherer-Rath Klaas Spronk Piet Verschuren Wim Weren and Willien van Wieringen **Mark as Story** Kelly R. Oeste, 2012-02-04 This book explores the portrayal of the rise reign and demise of Abimelech in Judges 9 and asks about whose interests this portrayal may have served The negative depiction of Abimelech's kingship in this chapter coupled with Gideon's rejection of kingship in Judges 8:22-23 has led interpreters to view the passage as anti-monarchic This perspective clashes with the pro-monarchic stance of Judges 17:21 However while the portrayal of Abimelech's kingship is negative it may yet have served as a legitimization strategy for the monarchy In support this study examines Judges 9 through three methodological lenses a narrative analysis a rhetorical analysis and a social scientific analysis In addition anthropological data on early and developing states shows that such states attempt to prevent fissioning the tendency inherent within political systems to break up and form other similar units by subverting local leaders groups and institutions and so legitimate the centralization of power When read in this light Judges 9 supports monarchic interests by seeking to subvert localized rule and alliances in favor of a centralized polity **Reading Writing Right** Jeremy Punt, Marius J. In a collection of essays former students colleagues and friends of Prof. Elna Mouton honour her life career and scholarly contributions upon her retirement from Stellenbosch University The various essays interact with Prof. Mouton's concern for biblical hermeneutics ethics and the interactions and connections between the two ultimately illustrating the width and variety of interest that her work stimulated and which it interacted with **In the Way of the Story** Huw Thomas, 2021-12-08 You'll be doing all the work You'll be picking apart plots analyzing characters exploring the setting of biblical narratives and engaging with narrative levels and reader response theory And you'll be doing all the work This is a

book about you the reader Drawing on narrative theory this book places readers in the way of the story reading biblical narrative through fresh eyes Using entertaining explanations of literary theory it liberates readers to read their own chosen Bible stories with a fresh understanding of how narratives work Practical activities will inspire the reader to develop their own understanding of stories and in doing so this book tackles hallowed and authoritarian interpretations that can sometimes get in the way of the story This is a book of clear explanation and practical application *Jeremiah, Zedekiah, and the Fall of Jerusalem* Mark Roncace, 2005-09-08 Uses both a narratological and historical critical method to read these specific passages of Jeremiah Demonstrates that the story of Jeremiah and Zedekiah is not the typical god prophet bad king story found in much of prophetic literature and the Deuteronomic History Provides an intertextual reading of the passages which connects Jeremiah to other figures in the Old Testament The book offers a narratological and intertextual reading of Jeremiah 37 1 40 6 a text that features the dynamic interaction between the prophet Jeremiah and King Zedekiah in the context of events surrounding the fall of Jerusalem While there have been many literary studies of biblical texts there has been little such work on the narratives in the book of Jeremiah This fact is surprising since the Jeremianic stories are narrated in a lively and sophisticated manner and contain complex characters and vivid dialogue and action reminiscent of texts in the Primary History which have received much more literary attention Roncace's book begins to uncover the richness of the prophetic narratives in Jeremiah The study focuses on issues of characterization and point of view as well as the text's connections with other passages in the book of Jeremiah and those beyond it particularly the Deuteronomistic History Roncace argues that the text develops complex images of both Zedekiah and Jeremiah It is not a story of the good prophet and the bad king times as chaotic and confusing as the final days of Jerusalem do not call for a black and white story Rather the text invites both sympathy and criticism for Jeremiah and Zedekiah Jeremiah is the embattled prophet of God yet at times he appears deceptive and manipulative more concerned about his own well being than that of the people and his message can be ambiguous and in the end is not fully correct Zedekiah for his part appears receptive to Jeremiah's word and protects the prophet from others who would harm him yet he is too irresolute to take any action to save the city The ambiguity in the portrayals of both figures is further developed by intertextual connections Jeremiah can be compared to Moses the Rabshakeh Daniel Joseph Samuel Nathan and Micaiah while Zedekiah can be compared to the monarchs that correspond to these figures Pharaoh Hezekiah Saul David and Ahab Thinking Towards New Horizons International Organization for the Study of the Old Testament. Congress, Hermann Michael Niemann, 2008 This volume presents recent international research results of Old Testament studies and related fields The topics of the individual contributions vary widely and are concerned with exegetical and literary questions historical and religious problems as well as central questions of Theology of the Old Testament In den Beiträgen dieses Bandes werden neueste Forschungsergebnisse dargelegt die weltweit mit der wissenschaftlichen Arbeit am Alten Testament sowie in den mit ihm in Verbindung stehenden Wissenschaftsgebieten erzielt

wurden Die Themen der einzelnen Aufsätze sind breit gefächert sie betreffen sowohl exegetische und literarische Fragen als auch historische und religionsgeschichtliche Probleme sowie zentrale Fragen der Theologie des Alten Testaments
