Nashville Predators Sports:

Hockey Tonk Craig Leipold, 2008-07-13 Hard hitting nonstop action and that's just what happens off the ice. Hockey is the fastest of all team sports, an emotional exhilarating and highly entertaining blend of speed, finesse, intensity and bone-crunching physical impact. And the NHL's Nashville Predators are in every respect a team to watch. But the story leading up to and through the Predators' triumphant first season is every bit as exciting as the game itself. Hockey Tonk tells of one man's dream of bringing a pro team to a city best known for its music industry. The journey from that dream to its fulfillment in an arena filled with 17,000 screaming fans is a story of vision, passion, hard work, perseverance and commitment to long-term success. It's a story of teamwork and hard-nosed competition both on and off the ice. Just a few short years ago the majority of Nashville, Tennessee didn't know the difference between a blue line and a line dance. But now Music City has become a pro sports town thanks to a fiercely competitive hockey team, its business and community-minded front office and fan support that according to USA Today is second to none. *Nashville Predators: The Making of Smashville* Justin B. Bradford Pete Weber, 2015-10-26 Nashville may be the country music capital, but local hockey fans know it as Smashville. The Predators adopted their name from the bones of a saber-toothed tiger found beneath a local building. Craig Leipold first purchased the expansion rights in 1997 and the team quickly built a loyal following. It won twenty-eight games in the inaugural season. Twelve seasons later the team finished second in the Central Division and appeared in its first ever conference semifinals. One year later it finally dispatched its long-standing rival Detroit Red Wings 4-1 in the opening round of the playoffs. Author Justin Bradford details the fascinating history through unique player anecdotes and perspectives from those involved in the team's rise to prominence. **Tales from the Nashville Predators Locker Room** Kristopher Martel, 2019-01-01 In 1998 the Predators joined the NHL as an expansion team, marking the start of what's been a wild ride ever since. *Tales from the Nashville Predators Locker Room* covers all the stories from the adventures around the inaugural season to Nashville's storied rivalry against the Detroit Red Wings, road reports from players competing abroad during the 2004 lockout, the heartbreak of the 2010 playoff loss to the Chicago Blackhawks, the jubilation of winning a playoff series in 2011, the Matt Duchene offside goal controversy in 2013 that in turn helped to prompt official reviews, the art of the trade and how General Manager David Poile has helped land some of the biggest superstars on the roster and of course the 2017 Stanley Cup Finals. In this insider's account the Predators' greatest players and coaches past and present come to life. From P.K. Subban and Shea Weber to Jason Arnott, Pekka Rinne, Filip Forsberg, Mike Fisher and everyone in between. Fox Sports Tennessee correspondent Kristopher Martel covers it all. The perfect gift for any fan of Nashville hockey. [Plunkett's Sports Industry Almanac 2009](#) Jack W.
