**National Identity in Irish Drama. A Study
of Selected Plays by Yeats, Synge and
O'Casey**

Extended Version with Ten Plays And Broad Discussion

National Identity Irish Drama Selected

David Cichowicz

National Identity Irish Drama Selected:

National Identity in Irish Drama. A Study of Selected Plays by Yeats, Synge and O'Casey Youssef Al-Youssef, 2015-03-02 Document from the year 2015 in the subject English Language and Literature Studies Literature language English abstract This book comes as a continuation to the previous book with the same title but this time with ten plays and a broader discussion of the previously discussed ones In this book many specialised people have worked hard in order to answer the ongoing debates in the literary field It deals with the most abstract idea in the Irish Theater Nation Identity It studies ten plays by three dramatisits and gives insight for analysing other plays The presented plays are as following The Countess Cathleen Cathleen Ni Houlihan Purgatory Riders to the Sea The Playboy of the Western World The Well of the Saints Juno and the Paycock The Plough and the Stars The Shadow of Gunman The Silver Tassie **Postcolonial Theory in Irish Drama from 1800-2000** Dawn Duncan, 2004 Selected Plays of Irish Playwright Teresa Deevy, 1894-1963 Teresa Deevy, 2003 This volume is a re issuing of the dramatic writings of one of Ireland s most important women writers Teresa Deevy s plays provided a viable female viewpoint on the tensions between individual selfhood and nationhood in Ireland in the 1930s and 1940s this volume includes her most critically acclaimed writing for Dublin s Abbey Theatre The King of Spain s Daughter Katie Roche and The Wild Goose It also publishes for the first time her compelling radio drama Supreme Dominion Deevy s plays have continued to attract popular interest since her death in 1963 and her importance in terms of modern theatre Irish studies and women s studies cannot be underestimated Studies in Modern Drama Dr. Amal Qutaishat, 2012-02-01 This book deals with studies of various elements of modern drama **A Century of Irish Drama** Stephen Watt, Eileen Morgan, Shakir Mustafa, 2000 Based on essays originally presented at a symposium entitled Nationalism and a national theatre 100 years of Irish drama convened at Indiana University May 26 29 1999 *Brian Friel and the Field Day Theatre* This book deals with the field day theatre and what Brian Friel has presented to it in various aspects **Contemporary Theatre Education and Creative Learning** Mark Crossley, 2021-05-31 This book considers the state of contemporary theatre education in Great Britain is in two parts The first half considers the national identities of each of the three mainland nations of England Scotland and Wales to understand how these differing identities are reflected and refracted through culture theatre education and creative learning The second half attends to 21st century theatre education proposing a more explicit correlation between contemporary theatre and theatre education It considers how theatre education in the country has arrived at its current state and why it is often marginalised in national discourse Attention is given to some of the most significant developments in contemporary theatre education across the three nations reflecting on how such practice is informed by and offers a challenge to conceptions of place and nation Drawing upon the latest research and strategic thinking in culture and the arts and providing over thirty interviews and practitioner case studies this book is infused with a rigorous and detailed analysis of theatre education and illuminated by the voices and perspectives of

innovative theatre practitioners

Political and Historical Topics in Selected Plays by Brian Friel: A Teaching Perspective David Cichowicz, 2012-08-29 Examination Thesis from the year 2002 in the subject English Language and Literature Studies Literature grade 2.3 University of Wuppertal language English abstract Brian Friel is considered one of the most successful contemporary Irish dramatists. His works have achieved international reputation and are staged throughout the world. Even in schools, especially in Ireland, his plays are dealt with. For language and literature teachers who work with Friel's plays in school, this paper shall serve as a kind of handbook. It is divided into two parts. The first is a theoretical analysis of Friel's plays *Philadelphia here I come*, *Translations*, and *Making History*. It provides the basic theoretical knowledge about the plays that teachers need for professional teaching. The analysis examines Friel's plays on political and historical topics. The plays mentioned all show many similarities concerning these topics and therefore seem very suitable for a detailed literary analysis. The second part of this paper is more practically orientated. It provides classroom teaching ideas for Friel's plays, including many exercises and teaching material. Although a lot has been written on Friel, only a few have looked at his work from a didactical point of view. A journal article by Philip Brady, *The Scholar in the Hayfield*, Brian Friel and the Post Colonial Classroom, 1998, reports about the staging experiences of *Translations* by a university teacher for Irish literature. Brady mentions the international validity of the political topics in *Translations* that can be applied to many countries and cultures. Unfortunately, the article does not provide teaching ideas and materials. A few teaching materials can be taken from the internet, see II.5 p. 52, but not much has been done here either. This seems to be surprising because the German syllabus as well as the Irish syllabus both state that in order to live in this world, one needs knowledge about historical, political, social, and economical coherences. cf. *Richtlinien*, 1999 p. XIV. Language is embedded in history, culture, society, and ultimately personal subjectivity. English Syllabus Higher Level, 1999 p. 2. The selected plays match the demand of both syllabi because they mainly deal with historical and political topics and illustrate how they affect a whole culture and its individuals. These circumstances show the necessity of a work such as this, and it may prove to be something that fills an important gap in Friel studies.

Theatre World, 1925 *Echoes Down the Corridor*. International Association for the Study of Anglo-Irish Literature. Conference, 2007. Essays on contemporary Irish theatre

Religion and the State Scott A. Merriman, 2009-07-14. This timely and authoritative resource combines both topical and country-by-country coverage to help readers understand the coexistence of church and state in nations around the world today. At a time when faith-based groups have become more politically active in the United States and with religious conflicts at the epicenter of many of the world's most dangerous hotspots, *Religion and the State: An International Analysis of Roles and Relationships* could not be more welcomed or timely. Country-by-country, faith-by-faith, it unravels the historic underpinnings and long-range effects of the relationship between religious principles and the operations of government in its many guises worldwide. The work combines topical essays on significant developments in the confluence of religion and law throughout the world with short

descriptions of each country's current treatment of religion. Readers can investigate specific nations, compare situations across nations, and explore key issues in the pervasive often controversial relationship between religion and government.

Cultural Convergence Ondřej Pilný, Ruud van den Beuken, Ian R. Walsh, 2020-11-03. Based on extensive archival research, this open access book examines the poetics and politics of the Dublin Gate Theatre, est. 1928, over the first three decades of its existence, discussing some of its remarkable productions in the comparative contexts of avant-garde theatre, Hollywood cinema, popular culture, and the development of Irish language theatre respectively. The overarching objective is to consider the output of the Gate in terms of cultural convergence, the dynamics of exchange, interaction, and acculturation that reveal the workings of transnational infrastructures.

The Oxford Handbook of W. B. Yeats Lauren Arrington, Matthew Campbell, 2023. A Handbook devoted to the poet W. B. Yeats (1865-1939) that examines how his work as a poet, playwright, critic, and public figure in the late 19th through the mid 20th century continues to influence writing in English, Irish, and worldwide Anglophone literatures.

Religious Nationalism in Modern Europe Philip W. Barker, 2008-08-20. Examines the conditions in which religious nationalism develops and explores why several countries including Ireland, England, Poland, and Greece stand in clear contrast to the broader trend of religious decline.

Martin McDonagh Catherine Rees, 2024-04-23. This comprehensive, accessible introduction to one of Britain's leading contemporary playwrights and filmmakers outlines Martin McDonagh's body of work, the key critical contexts for understanding and exploring his career, analysis of productions, and includes an exclusive interview with the director of his most recent stage work. Analysis of McDonagh's writing is broken down into three periods: his early Irish plays, his screenplays, and his later plays that move away from and outside of Ireland. Works are discussed thematically, giving a dynamic reading of the scripts and the ideas around which they circle. The book's final section then delves in more detail into selected seminal productions of McDonagh's writing, outlining key phases and transitions in his career. Part of the Routledge Modern and Contemporary Dramatists series. Martin McDonagh is an essential guide for scholars and students who are setting out to understand the life and work of one of the most popular and acclaimed British dramatists and filmmakers of the twenty-first century.

Sport, History, and Heritage Jeff Hill, Kevin Moore, Jason Wood, 2012. Sport is an integral part of British culture and an important aspect of modern life, but although its importance has been recognised in academic history, in the growing and related fields of heritage and museum studies, it has yet to be fully appreciated and brought into interaction. More with historical studies. Ideologically, sport and heritage both convey powerful messages responsible for shaping our understanding of sport history and the past, although they have essentially operated as separate spheres. One important aspect of convergence between them is seen in the rise and popularity of sports museums, the collecting of sporting art and memorabilia, and popular concern over the demise of historic sports buildings and places. The essays in this volume look at sports history as manifested in academic enquiry, museum exhibition, and heritage sites. They deal, among other things, with the public representation of sport and why it matters, its impact on public spheres, the

direction of sports heritage studies and what they should be attempting to achieve the role of museums in public history and the place memory and meaning in the historic sports landscape

Childhood and Nation Zsuzsanna Millei, Robert Imre, 2016-04-29 Childhood and Nation explores the historical and manifold current relations between nation and childhood Millei and Imre bring together an international and interdisciplinary group of scholars to address many pressing questions of today The analytical incisions created by nation and childhood bring answers to the following questions How do national agendas related to economic social and political problems exploit children and tighten their regulation How do representations of nations take advantage of ideals of childhood Why do nations look to children and search for those characteristics of childhood that help them solve environmental and humanitarian issues The book offers a fresh look at the theme of nation and childhood by offering multiple methodologies from fields including education policy studies political science sociology anthropology literature and psychology

Protestant Nationalists in Ireland, 1900–1923 Conor Morrissey, 2019-10-10 An innovative and original analysis of Protestant advanced nationalists from the early twentieth century to the end of the Irish Civil War

The Oxford Handbook of Scottish Theatre, 2025-01-20 The Oxford Handbook of Scottish Theatre tells the story of drama and performing in Scotland from the earliest traces of folk plays performances and royal ceremonies in the medieval period right up to the challenges of the present post pandemic moment in the professional theatre It brings together distinguished scholars theatre professionals critics and reviewers to share their experiences of studying and in some cases producing the most significant landmarks of Scottish stage history discussing pivotal plays and productions Lyndsay s Ane Satyre of the Thrie Estaitis Ramsay s The Gentle Shepherd Home s Douglas adaptations of Rob Roy and the National Drama Lamont Stewart s Men Should Weep Lochhead s Mary Queen of Scots Got Her Head Cut Off writers including Joanna Baillie J M Barrie James Bridie John McGrath and the writers of the radical post Millenium generation and companies including The Scottish National Players The Glasgow Citizens 7 84 Wildcat Communicado and the National Theatre of Scotland alongside incisive accounts of the cultural contexts from the Reformation to the Thatcher government and beyond that produced and challenged them Separate chapters explore Scots language and Gaelic drama the popular theatrical forms of the travelling geggies music hall variety and pantomime theatre for young audiences radio and television drama the significant roles of the director and the theatre critic and reviewer in shaping Scottish theatre and the Scottish stage s long history of dialogue with performance traditions in England Ireland and Continental Europe Contributors describe the often fierce struggles that led to the opening up of the Scottish stage to working class voices and audiences women writers and performers writers of colour LGBTQ voices innovators in dramatic form and the long process leading towards the foundation of the NTS and its early work alongside other key developments in the twenty first century

Irish Writing in the Twentieth Century David Pierce, 2000 With five Nobel Prize winners seven Pulitzer Prize winners and two Booker Prize winning novelists modern Irish writing has contributed something special and permanent to our understanding

of the twentieth century Irish Writing in the Twentieth Century provides a useful comprehensive and pleasurable introduction to modern Irish literature in a single volume Organized chronologically by decade this anthology provides the reader with a unique sense of the development and richness of Irish writing and of the society it reflected It embraces all forms of writing not only the major forms of drama fiction and verse but such material as travel writing personal memoirs journalism interviews and radio plays to offer the reader a complete and wonderfully varied sense of Ireland s contribution our literary heritage David Pierce has selected major literary figures as well as neglected ones and includes many writers from the Irish diaspora The range of material is enormous and ensures that work that is inaccessible or out of print is now easily available The book is a delightful compilation including many well known pieces and captivating discoveries which anyone interested in literature will long enjoy browsing and dipping into
