Inter Rdr/Sty Am Anthem 2007 Holt Rinehart & Winston, 2007. **Race Lessons** Prentice T. Chandler, Todd S. Hawley, 2017-05-01. We hold that the mission of social studies is not attainable without attention to the ways in which race and racism play out in society past, present and future. In a follow up to the book *Doing Race in Social Studies* 2015, this new volume addresses practical considerations of teaching about race within the context of history, geography, government, economics and the behavioral sciences. *Race Lessons: Using Inquiry to Teach About Race in Social Studies* addresses the space between the theoretical and the practical and provides teachers and teacher educators with concrete lesson ideas for how to engage learners with social studies content and race. Oftentimes social studies teachers do not teach about race because of several factors: teacher fear, personal notions of colorblindness and attachment to multicultural narratives that stress assimilation. This volume will begin to help teachers and teacher educators start the conversation around realistic and practical race pedagogy. The chapters included in this volume are written by prominent social studies scholars and classroom teachers. This work is unique in that it represents an attempt to use Critical Race Theory and inquiry pedagogy. *Inquiry Design Model* to teach about race in the social science disciplines. *Nationalism* Richard Allen Sauers, Jennifer L. Weber, 2010. Uses alphabetical entries to discuss the concept of nationalism and examine its growth and manifestations in American life. *This Sacred Trust* Paul C. Nagel, Robert E. Lee Research Association and Former Director Paul C. Nagel, 1971-01-02. Nagel's classic work deals with nineteenth century America's coming awareness as a nation and its agonizing struggle to turn itself into a model republic. He perceptively explores the growth of American nationalism in its political, social, religious, economic and literary implications. The resulting book is a vivid portrait of how America viewed itself, what concerned it deeply and ultimately of those forces in society that led to a new spirit of militant nationalism. *Job*

Channing, 1974 A dramatic account of the actions and attitudes behind the even that began the Civil War Vast research in private papers legislative records and newspapers has produced this important new perspective on the origins of the Civil War *Crisis of Fear* was awarded the Allan Nevins History Prize by the Society of American Historians James Henry Hammond and the Old South Drew Gilpin Faust, 1985-07-01 From his birth in 1807 to his death in 1864 as Sherman s troops marched in triumph toward South Carolina James Henry Hammond witnessed the rise and fall of the cotton kingdom of the Old South Planter politician and an ardent defender of slavery and white supremacy Hammond built a career for himself that in its breadth and ambition provides a composite portrait of the civilization in which he flourished A long awaited biography Drew Gilpin Faust s *James Henry Hammond and the Old South* reveals the South Carolina planter who was at once characteristic of his age and unique among men of his time Of humble origins Hammond set out to conquer his society to make himself a leader and a spokesman for the Old South Through marriage he acquired a large plantation and many slaves and then through their coerced labor shrewd management practices and progressive

farming techniques he soon became one of the wealthiest men in South Carolina He was elected to the United States House of Representatives and served as governor of his state Evidence that he sexually abused four of his teenage nieces forced him to retreat for many years to his plantation but eventually he returned to public view winning a seat in the United States Senate that he resigned when South Carolina seceded from the Union James Henry Hammond s ambition was unquenchable It consumed his life directed almost his every move and ultimately in its titanic calculation and rigidity destroyed the man confined within it Like Faulkner s Thomas Sutpen Faust suggests Hammond had a design a compulsion to direct every moment of his life toward self aggrandizement and legitimation Despite his sexual abuse of enslaved females and their children like other plantation owners Hammond envisioned himself as benevolent and paternal He saw himself as the absolute master of his family and slaves but neither his family his slaves nor even his own behavior was completely under his command Hammond fervently wished to perfect and preserve what he envisioned as the southern way of life But these goals were also beyond his control At the time of his death it had become clear to him that his world the world of the Old South had ended
