If you are the kind of person that loves Minecraft, then you are going to enjoy reading these cool stories.

In the first short Minecraft story in this boxed set, you will read that Teddy was a normal guy who had a brother who loved to play Minecraft. He thought it was a bit of a stupid game, one that was a bit foolish and something that he didn't really like. But when he gets sucked into the game and has to learn how to play it, the stakes start getting higher than he ever imagined. Teddy thought that he was just here because of some fluke. But when he found out that Herobrine was the cause of this issue, he was determined to take him down. Now Teddy must find his brother and go on a journey to find Herobrine and get back home. Would Teddy be able to do it? Or would his naivety and inability to play the game effectively cause him to die before he can get out?

On the second Minecraft story, you will read about Zack, who yearns for adventure. When he gets word of a treasure in a temple, he goes to investigate. Little does he know, though, that once he gets in there, unlikely things start to happen. Traps are set up, enemies are everywhere, and Zack needs to fend for his life. This epic book has a thrilling story of near-death experiences, great battles, and a desire to get the treasure. A young warrior wants Zack; will he have to fight for his life in this mysterious temple, and it's only a matter of time before the question of whether he lives or not starts to come into play.
