Minecraft Books for Kids Herobrine Books Minecraft For all you gamers both casual and serious who have roamed the
Overworld in Minecraft slaying evil mobs and harmless animals alike this diary will make you face a question that might
never have occurred to you before what is it like to be a Creeper Notorious for being the bane of a player s life in the
Overworld Creepers silently make their way up to within touching distance of you at the moment when you least expect it
then give you a warning of just 1 5 seconds before they explode violently killing you and damaging any nearby structures you
worked so hard to build But have you ever asked yourself why they do this What is the reason for them creeping up to you so
quietly are they being careful not to make any noise so that you can t hear them coming or do they not actually have the
ability to make a noise as they walk Why do they explode Is it a deliberate attempt to make your life a misery or is it
something else And what do they actually do when they re not creeping up on you and exploding Your favourite green blocky
menace has a brief life all its own and what you see in the moments before and after they explode near your vicinity is merely
a glimpse of their world This book documents the short life of a particular Creeper in its entirety This nameless Creeper will
open your eyes to the unseen behaviours of the Minecraft mob He is a creature driven by love and hope and a longing to
