Positive or Negative? The Effect of Emerging Technologies and Products on Mental Health Chao Guo, Stuart Gilmour, Peige Song, Aiping Fang, 2023-11-02 Emerging technologies and products such as digital health technology computing platforms wearable devices smartphone sensors and electronic gadgets have the potential to transform and empower society while simultaneously presenting unprecedented challenges in our life Some like electronic cigarettes e cigarettes are for entertainment some like online conference platforms are for convenience and some like social media have become a life necessity However there is an ongoing debate about whether the use of

physical and virtual digital technology products can do harm to mental health Some evidence based research shows that frequent use of social media may cause depression and anxiety and derived behavioral phenomena like cyberbullying and game addiction which negatively affect people s lives Other scholars think digital technology products could provide insights into timely personalized engaging and accessible intervention promotion and improvement of mental health Given the ubiquity of digital devices and their complex and subtle associations with mental health more research is needed to bring benefits to both research and daily life practices Children's Books in Print, 2007 ,2006 **Who's Who in Science and Engineering 2008-2009** Who's Who Marquis,Marquis Who's Who,2007-12
