The Grandpa's Manual David Sutton, D-Min,I. Blake McKinley, DDS,2022-01-31 Being a Grandpa does not come with a book of instructions Every Grandpa is as unique as a fingerprint and each relationship with his grandkids usually molds itself into a customized experience of mutual advice wisdom and suggestions Sometimes you just get crazy with each other The Grandpa s Manual is not a how to book It is a collection of stories encouraging men to become whatever kind of Grandpa they desire to be It is written so the reader can pause put it down and say Hmm I never thought of that Building a relationship with your grandkids is important business So when grandkids look to Grandpa for advice and wisdom they can see that Grandpas have grandkid challenges in the relationship too Take for instance when your grandkid suffers a breakup with his first true love and concludes he cannot share his broken heart with Mom Dad or his little sister Mom is a girl Dad sometimes does not take it really seriously And little sister may know his true love and nothing will ever be sacred again Who may be the one who will listen not judge and help soothe that broken spirit It may be Grandpa Grandpa has probably been in the same situation and knows how to stitch up the wound Grandpa have you ever raced your grandkid in a go kart Or have you run a zip line lately What would you say if your grandkid asked you what it would be like to die Do dogs go to heaven What is prayer and who is God Have you ever tried to bake bread with your grandkid when neither one of you knows how to bake bread How do you handle life when Grandma dies Where is the boundary line with Mom and Dad when it comes to giving opinions and advice The Grandpa s Manual walks with you as you seek answers to these and many other questions It is an exciting book that will move you in the direction of establishing the greatest role on earth being a Grandpa
