Loving God and Disturbing Men Donald A. Leggett, 2003 Loving God and Disturbing Men is an excellent resource for preachers and teachers that provides a balance between technical scholarly commentaries and popular devotional works Its unique strength lies in the author's ability to show the relevance of the prophets for the contemporary church and its ministry Readers will appreciate the detailed scholarly treatment of the prophetic literature the author provides But equally important the author demonstrates that what the prophets said about God evil repentance history social justice and eschatology has the ring of immediacy for us Moreover the study is helpful in treating the lives of the prophets as models of spirituality in prayer suffering and preaching While the book is primarily for those who preach from the prophets it is suitable for a much wider audience A book on preaching from the prophets is desperately needed today by the Christian audience if we are to be faithful in declaring the whole counsel of God to our contemporary generation Professor Donald Leggett is to be commended on his desire to aid the Christian community and its proclaimers in advancing this cause It is a pleasure to commend this work Walter C Kaiser Jr Here is a pump primer and

launch pad for preachers Dr Leggett's aim is to show us the wisdom of the prophets in a way that will excite us and enable us to share what we have seen I appreciate this book for I think it will do its job And the job is an important one J I Packer

Preaching from the Minor Prophets Elizabeth Achtemeier, 1998 An excellent guide to the books of the Minor Prophets this volume is unique for its theological depth It was written to provide clergy with the tools to once again preach from these important texts with confidence and relevancy

Biblical Theology of prayer in the Old Testament Albert J. Coetsee, Francois P. Viljoen, 2023-08-31 Prayer is a major topic within Christian theology The biblical text has various references to various recorded and reported prayers In fact references to prayer are found within the rich diversity of the various books corpora and genres of Scripture As can be expected much has been written about prayer in the biblical text However a comprehensive Biblical Theology dealing with the concept of prayer in Scripture has not been published before and this book intends to fill this gap assuming that such an approach can provide a valuable contribution to the theological discourse on prayer and related concepts This book aims to investigate prayer and its related elements including worship praise thanksgiving adoration petition intercession lament and confession in the Old Testament on a book by book or corpus by corpus basis The investigation follows a Biblical Theological approach reading the Old Testament on a book by book basis in its final form to uncover the Old Testament's overarching theology of prayer understanding the parts in relation to the whole By doing this the discrete nuances of the prayers of the different Old Testament books and corpora can be uncovered letting the books and corpora speak for themselves In addition the advantage of this approach is that it provides findings that can benefit the modern Christian community and contribute to the practice of Reformed theology in Africa This book is of significant value to scholars It will inspire scholars to think about prayer and use the Bible as the major prayer handbook in their spiritual lives

Nahum, Habakkuk, and Zephaniah J. J. M. Roberts, 1991-01-01 This commentary builds on the work of previous scholarship and addresses contemporary issues It gives serious attention to questions of textual criticism philology history and Near Eastern backgrounds and is sensitive to the literary conventions characteristic of the prophetic literature of the Old Testament The book is an earnest attempt to hear the message of the ancient prophets a message that remains relevant today The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing

An Annotated Guide to Biblical Resources for Ministry David R. Bauer, 2011-04-01 An Annotated Guide to Biblical Resources for Ministry evaluates over 2 000 books that were chosen because of their usefulness for the theological interpretation of the Bible within the context of the faith of the church significance in the history of interpretation and representation of evangelical scholarship This is one of those rare bibliographic guides that every student of religion seminarian and minister will want to

have on his or her bookshelf The focus of this guide is on biblical studies It contains entries on 2 200 books written by 1 300 scholars Annotations describe and evaluate books that are highly recommended Virtually every topic in biblical studies is noted commentaries on each book of the Bible biblical histories theologies and ethics books on the canon archaeology early Judaism and interpretive methods and technical books such as grammars concordances Bible dictionaries and atlases The great strength of this guide is not only that it provides the reader with a wealth of information but also that the format it follows is eminently reader friendly The Guide is invaluable for assisting the student seminarian or minister in building a personal library I highly recommend it Jack Dean Kingsbury Professor Emeritus of Biblical Theology Union Theological Seminary in Virginia Trembling Faith Taylor Turkington, 2023-02-28 At times our chaotic world reveals hints of the utter brokenness in which we live like a peek behind the veneer Neighbors taking advantage of others unjust verdicts and unfair beginnings As people of faith in a powerful God we want to lift our faces to heaven to cry out or bury our face in our hands to whisper prayers Either way we utter things like God please help God what are you doing God those people are terrible And we aren't alone in those words we lift to heaven In fact our frustrating and exhausting experience with chaos injustice and corruption is much like that of the distressed prophet Habakkuk in the Old Testament He said those very things When we're looking for answers or just additional words for our prayers his book is for us His story is a prayer session a surprisingly relevant one open for eavesdroppers We follow his journey of wrestling with evil and we hear from God how to live Habakkuk doesn't see living by faith as a cliché to be written on a pillow or bumper sticker but a way to survive As you join Taylor Turkington Bible teacher and former Director of TGC Women's Training Network through the timeless story of Habakkuk you will look at the situation of your own heart and world and here you will find some of the most powerful chapters of the Bible that both confront and console you You will learn that the only way to not just survive but find lasting hope is through gritty trembling wrestling faith in the God who works in our chaotic world *Introducing the Old Testament* Rolf A. additions Mal 3 22 24 are analyzed The creative use of the traditions is demonstrated including the prophet's exegetical techniques Lines of connections are detected between Malachi and legal texts Leviticus and Deuteronomy earlier prophetic words Chronicles and Wisdom literature **Elenchus bibliographicus**, 1988 **Ezra-Nehemiah** Mark A. Throntveit, 2012-09-03 Studies in the books of Ezra Nehemiah have tended to become bogged down with such questions as Who came first Ezra or Nehemiah and were they contemporaries When did Ezra make his journey to Jerusalem how many trips did he make and which route did he take In this commentary the author undertakes a theological reading which emphasizes its character as narrative and story He avoids rearranging the text and with the exception of chapter five of Nehemiah he seeks to understand the narrative as it was received In general Mark Throntveit avoids an overly historical approach to the text and presents a clear picture of Ezra and Nehemiah Joshua Traditions and the Argument of Hebrews 3 and 4 Bryan J. Whitfield, 2013-06-26 This monograph examines the place of chapters 3 and 4 in the larger argument of Hebrews particularly the relationship of the people of God in Heb 3 7 4 13 to the surrounding discussion of the high priest The connection between the great high priest and the people of God proved a central question for twentieth century scholars including Ernst K semann The first chapter of this work examines previous attempts to explain the flow of the argument and revisits the proposal of J Rendel Harris who thought attention to the two Joshuas of the Hebrew Bible was the key to connecting Heb 3 7 4 13 to its frame The second chapter examines reading practices within Second Temple Judaism that shaped those of the author of Hebrews Two subsequent chapters explore the history of Second Temple interpretation of the texts central to Harris's proposal Numbers 13 14 and Zechariah 3 The Levi priestly tradition receives particular attention The following chapter provides a careful study of the early chapters of Hebrews that explores allusions and echoes to Numbers and to Zechariah The monograph concludes with a positive assessment of much of Harris's proposal **Six Minor Prophets Through the Centuries** Richard J.
