Private Notes of a Headhunter Kenneth A. Heinzel, 2013 College students and recent grads Want to nail the interview and get the job of your dreams Read on What you will learn in Private Notes of a Headhunter is as important as any course you've taken or will ever take insider tips tools and techniques tailored expressly to your needs information that will help give you an edge in one of the most challenging job search environments in many years Explore the foremost fears college students have about job interviewing and learn how to overcome them read the questions and concerns of your peers in their own words in the Student Question Forum section Learn what employers most want in a job seeker and how to convince them you have it Learn how to avoid the most common mistakes candidates make in the job interview Get a look inside the job interviewer's head what turns them on what turns them off and what you can do about it check out the Job Fair Survey section to read what actual interviewers and company recruiters have to say Develop a personal action plan for successful job interviews that fits you and the job you want Increase your chances of beating your competition by using proven interviewing techniques unknown to most job seekers Ken Heinzel provides an excellent look at many of the most important aspects of the job search from the very basics to using sophisticated skills to advance one's career I wish I had this book years back as it would have been a great resource when I was a job developer placement manager workforce planning and recruitment manager and of course as a job seeker Considering the current job search situation today this will be a bible for many Frank Tastevin Manager of Workforce Planning Recruitment University of California at San Francisco retired What Ken Heinzel offers and what I have not found in any other book is a demystification and deconstruction of the job interview seen from the vantage point of an executive recruiter who was also a college professor It provides a wealth of information on just what to do to get and succeed in the interview as well as the biggest mistakes students tend to make in interviewing and how to avoid them What really brings the book alive are Ken's real life examples most drawn from his own extensive experience For the first time job seeker it deals with the pitfalls fears and self doubts while sharing advice on just what they must do in order to overcome any obstacles Robert H. Girling Ph.D. Professor in the School of Business and Economics at Sonoma State University His latest book is *The Good Company* Hill Press 2012 A very practical hands on guide to help you land a job that matches your interests and strengths A must read for recent college grads and those finding themselves back in the marketplace after being with one employer for a long time Private Notes of a Headhunter is an easy read and packed with a lot of great information I value the direct no bull approach to the subject the real life examples and wealth of experience Ken Heinzel provides Very impressive Clyde Stutts Ph.D. Executive Vice President DHR International Executive Recruiters

The Seven Master Steps to Hiring A-Players Don Georgevich, 2021-05-31 Teaches small businesses how to conduct job interviews Learn how to attract identify and hire the best candidates by systematically asking questions that predict success You will learn The psychology of asking questions that predict success How to build a

structured hiring process that allows you to consistently attract and hire A players who are right for your business How to only spend your time with the best candidates The mechanics of attracting top talent This is not a book of anecdotes and success stories but instead a nuts and bolts manual of how to create and implement a structured interview process to hire the best people It s written for small businesses but the concepts can be adapted to large businesses government and non profit You could be the director of a library a church or chamber of commerce and this book would be incredibly valuable for your hiring needs Unlike a traditional book you ll learn what you need to do why you need to do it and how to put everything together so it works for you When teaching a topic most people leave off the why of doing things but that s the most important part because it reinforces why you must do it or not do it or why it matters not You may already be doing some of the things I ll show you but for the wrong reasons or without a full understanding of why you are doing them You were probably never taught the right way to interview someone If you were you were probably taught by someone who was never taught In this short time we spend together I want to be your teacher and your guide [15 Minutes to a Better Interview](#)

Russell Tuckerton, 2014 You CAN Interview Better in 15 Minutes Let a Hiring Manager Teach You How Stop Making Mistakes Candidates Make Over and Over Again Do You Want the Job Learn from my 20 years of interviewing and hiring people just like you across multiple Fortune 500 companies You re qualified for the job it should be yours Let me show you what goes through the head of the interviewer so you can use it to your advantage An advantage others won t have I ve captured a highly condensed set of recommendations in this book that will put you in the very small set of interviewees that will stand above other candidates Whether you are seeking an entry level or an experienced management position these recommendations will give you the edge I see bad behaviors across all levels of interviews without candidates even being aware of what they are doing that prevents them from being hired You don t need to memorize 101 interview questions and answers You need actual experiences from the other side of the table to guide you Listen to Hiring Managers Is the book you re reading now written by the person who decides to hire you or by someone else involved in the process such as a recruiter or human resources role If so their guidance may get you an interview but won t give you insight into what goes through the manager s head Scroll up and grab your copy today Learn how to bring your BEST self to the job interview Cover Design by Melody Simmons of eBookindiecovers
