Excerpt: Faith's face grew hot with embarrassment and shame and she looked away to stare at the ground. The dragon man came closer until he was standing over her. She cringed as he reached out and laid a hand on her head. He stroked her hair once and she just had time to wonder what he was doing before he wound his fingers in the dark tresses. Then he bent lower and pulled her hair with a painful yank so that she was forced to get up onto her knees. His hand still entwined, he positioned her head so that she had to look at him. She let out a pained whimper, the fear taking hold again. Her heart thudded in her chest as she stared into his handsome face. The dragon's eyes were still fixed intently on hers; his expression mild. Her lips fell open and she was about to speak to plead or curse when he spoke. Now rebellious one. He purred. You see that I can give you pleasure, but I am quite willing to cause you pain if I have to. You are mine. The sooner you learn that, the better it will be for you. He seemed to wait, then staring at her patiently. He expected a response. Faith swallowed hard and nodded. A final tear squeezed from the corner of her eye and slid down her cheek, and she knew she could cry no more. All hope had fled, leaving her feeling numb and empty. She just wished that having her acquiescence, he might leave her alone for a while. A drastic change came over his face then. The glowing in his eyes faded, leaving them placid and dark. His brow smoothed, and his expression became almost tender. His hand loosened its hold on her hair, and suddenly he was caressing her again. Then the dragon smiled, his full lips tilting up at the edges. The smile transformed his face. He was really incredibly handsome. No, handsome was not the right word. He was beautiful. Though her heart still beat hard, something in her shifted then. A queer thrill that started in her belly and settled lower in her sex. Faith had to look away, angry at herself. What is your name? He asked her. Faith. She murmured. He made a pleased sound, stroking her hair, lifting an end and inspecting it. I am Inaeth. I will be your mate for life if you please me. And if I don't please you? She dared her voice little more than a whisper. [Dragon Avenged](#) Ophelia Bell, 2018-08-21. The indulgently sexy epilogue of the Immortal Dragons series is here.
