

## Designing your own design: The website

Designers develop their own design ideas. Sometimes they create something completely new, but sometimes they improve on something that already exists. They might use their own ideas or they might use ideas from other people. They might use their own ideas or they might use ideas from other people. They might use their own ideas or they might use ideas from other people.

Designers often work on their own, but they also work in teams. They might work on their own or they might work in teams. They might work on their own or they might work in teams.
