Sharon L. Hicks, 2012-10-29 *How Do You Grab a Naked Lady* is a sexy horrific funny honest to the bone memoir with many interesting twists and turns Sharon was torn between two opposing forces her mother and dad Her dad was an idealist nothing but the best for his daughter But with her mother there was a bit of a problem Mother was irrational charming seductive unpredictable and a brilliant woman with tendencies towards emotional outbursts foul language and parading naked in public Not the role model young Sharon wanted Only choice left Dad's dream of the white picket fence including squeaky clean husband two children a beautiful home and enough financial security so that his daughter would never need to work Sharon continually searched for the squeaky clean husband and the white picket fence But she had two failed marriages And many many men Too many She came up empty Sharon began to question her Dad's dream of the white picket fence Eventually she discovered the answer in the most unlikely source her Mother **My Mother's House** David Armand, 2016-03-11 Set in the bucolic yet brutal South of his youth *My Mother's House* is a memoir by novelist David Armand It recounts the young author's early memories of being born to a schizophrenic mother then given up for adoption only to be raised in a home with an alcoholic and abusive step father In this sharply remembered portrait of the people and places that shaped him Armand paints his seemingly negative experiences

with a sympathetic and understanding brush As the reader follows Armand through his childhood and later into adult life when he is reunited with his mother after she makes a failed suicide attempt a surprisingly new world of hope and possibility is rendered despite the overwhelming challenges of this reunion Armand's writing is reminiscent of Hemingway straightforward descriptions of manly action punctuated by laconic dialogue New York Journal of Books Armand writes in a comfortingly familiar literary voice that blends Ernest Hemingway's laconic but rhythmically complicated explorations of the mysteries of masculinity with William Faulkner's more fabulist Southern Gothic twang It's a heady seductively intoxicating combination Richmond Times Dispatch
