

Napoleon In The Holy Land

James Morgan

Napoleon In The Holy Land:

Napoleon in the Holy Land Nathan Schur, 1999 A rare detailed and fascinating account of Napoleon's 1799 campaign in Palestine and Syria including eyewitness accounts by participants on all sides of the conflict Outlines the impact of the invading French armies on the region

The Making of Eretz Israel in the Modern Era Yehoshua Ben-Arieh, 2020-03-09 Napoleon's invasion of the Middle East marks the beginning of the modern era in the region This book traces the developments that led to the making of a new and separate geographical political entity in the Middle East known as Eretz Israel and the establishment of the State of Israel within its bounds Thus its time frame runs from Napoleon's invasion of Eretz Israel Palestine in 1799 to the establishment of Israel in 1948 1949 Eretz Israel as the formal name of a separate entity in the modern era first appeared in the early translations into Hebrew of the Balfour Declaration while in the original document the country was referred to as Palestine During the period of Ottoman rule the territory that would in time be called Eretz Israel Palestine was not a separate political unit Among Jews use of Eretz Israel increased only after the beginning of Zionist aliyot Had the Zionist movement not arisen it is doubtful whether the development to which this study is devoted would have occurred The motivating force behind that process is without doubt the Zionist element That is why Jews are the major protagonists in this book

The History of Galilee, 1538-1949 M. M. Silver, 2022-01-28 This study of Galilee in modern times reaches back to the region's Biblical roots and points to future challenges in the Arab Jewish conflict Israel's development and inter faith relations This volume covers an array of subjects including Kabbalah the rise of Palestinian nationalism modern Christian approaches to Galilee's past and present Zionist pioneering the roots of the Arab Jewish dispute and the conflict's eruption in Galilee in 1948 The book shows how the modernization of Galilee intertwined with mystical belief and practice developing in its own grassroots way among Palestinians Orthodox Jews Christians and Druze rather than being a byproduct of Western intervention In doing so The History of Galilee 1538 1949 Mysticism Modernization and War offers fresh challenging perspectives for scholars in the history of religion military history theology world politics middle eastern studies and other disciplines

Napoleon Andrew Roberts, 2014-11-04 The definitive biography of the great soldier statesman by the acclaimed author of Churchill and The Last King of America winner of the LA Times Book prize finalist for the Plutarch prize winner of the Fondation Napoleon prize and a New York Times bestseller A thrilling tale of military and political genius Roberts is an uncommonly gifted writer The Washington Post Austerlitz Borodino Waterloo his battles are among the greatest in history but Napoleon Bonaparte was far more than a military genius and astute leader of men Like George Washington and his own hero Julius Caesar he was one of the greatest soldier statesmen of all times Andrew Roberts's Napoleon is the first one volume biography to take advantage of the recent publication of Napoleon's thirty three thousand letters which radically transform our understanding of his character and motivation At last we see him as he was protean multitasker decisive surprisingly willing to forgive his enemies and his errant wife Josephine

Like Churchill he understood the strategic importance of telling his own story and his memoirs dictated from exile on St Helena became the single bestselling book of the nineteenth century An award winning historian Roberts traveled to fifty three of Napoleon s sixty battle sites discovered crucial new documents in archives and even made the long trip by boat to St Helena He is as acute in his understanding of politics as he is of military history Here at last is a biography worthy of its subject magisterial insightful beautifully written by one of our foremost historians Napoleon's Mirage Michelle

Cameron,2025-07-30 Readers of Stephanie Drey and Allison Pataki will enjoy this highly anticipated sequel an epic saga of love set during the Napoleonic invasion of Egypt that explores loyalty cultural failures and a potentially history altering military defeat More than a year has elapsed since the ghetto gates were destroyed and Ancona s Jewish community liberated by Napoleon s troops Yet Mirelle is ostracized by the community her erstwhile best friend and even her mother and labeled a ruined woman As her efforts to nurture her family s legacy are thwarted she realizes she might have lost her last chance at love Meanwhile Daniel now a lieutenant in the French army and Christophe the man responsible for Mirelle s disgrace set sail to an unknown destination with General Bonaparte s forces There Napoleon and his men face a harsh and unforgiving landscape and new implacable enemies and Daniel s faith in and loyalty to the commander he once worshiped are put to the test Epic and rich with well researched detail Napoleon s Mirage is a novel of misguided ambition leading to brutal warfare failures of cultural appropriation and a military defeat that just may have changed the course of history 2000 Years of Jewish History Chaim Schloss,2002 An outline of Jewish history written by a rabbi and history teacher in Orthodox Jewish schools In forty chapters describes events from the destruction of the Second Temple up to but not including the Holocaust Focuses on developments in Jewish religious life Relates to antisemitism in various periods early Islam the Crusades Spain from 1391 1492 the Chmielnicki massacres antisemitism in the 19th century in general and in Russia in particular

Napoleon's Penis Stanley M. Bierman MD FACP,2012-09 An engaging series of vignettes reflective of fifty years as a practicing dermatologist specializing on sexually transmitted diseases STD incorporating the author s views on the sexual revolution of the 1960s AIDS death melancholy racism legal aspects of STDs and focusing on the author s world travels

Napoleon in Egypt Paul Strathern,2009-09-15 In 1798 Napoleon Bonaparte only twenty eight set sail for Egypt with 335 ships 40 000 soldiers and a collection of scholars artists and scientists to establish an eastern empire He saw himself as a liberator freeing the Egyptians from oppression But Napoleon wasn t the first nor the last who tragically misunderstood Muslim culture Marching across seemingly endless deserts in the shadow of the pyramids pushed to the limits of human endurance his men would be plagued by mirages suicides and the constant threat of ambush A crusade begun in honor would degenerate into chaos And yet his grand failure also yielded a treasure trove of knowledge that paved the way for modern Egyptology and it tempered the complex leader who believed himself destined to conquer the world **Napoleon's Egypt** Juan Cole,2025-09-23 In this vivid and timely history Juan Cole tells the story of Napoleon s invasion of Egypt Revealing the

young general's reasons for leading the expedition against Egypt in 1798 and showcasing his fascinating views of the Orient. Cole delves into the psychology of the military titan and his entourage. He paints a multi-faceted portrait of the daily travails of the soldiers in Napoleon's army, including how they imagined Egypt, how their expectations differed from what they found, and how they grappled with military challenges in a foreign land. Cole ultimately reveals how Napoleon's invasion, the first modern attempt to invade the Arab world, invented and crystallized the rhetoric of liberal imperialism.

Napoleon's Library
Louis N. Sarkozy, 2024-07-30

This book will surprise readers with the literary depths of Napoleon Bonaparte, exploring the enigmatic emperor's intimate relationship with books and history, going far beyond his more militaristic and imperial fame. Napoleon Bonaparte held absolute political power in France, and his influence stretched across Europe and beyond. Yet he remained between leading his armies and ruling over a vast empire, an indefatigable reader who even carried libraries into battle. Bonaparte's love of the written word birthed in childhood and nurtured as an adolescent and young adult never left him. He was a lover of literature for its own sake, often swooning over melodramatic love stories, but he also understood the value of books as instruments of power. Before his campaigns, he poured over dozens of texts relating to the relevant theaters, geography, population, trade, and history. When contemplating grave decisions, such as his divorce to Empress Josephine, he consulted the historical record for useful precedents to justify and inform his actions. To bolster his troops' morale during challenging times, he constantly referenced history in his proclamations, making his contemporaries feel as if they were actively shaping history. They were. The library of an individual is the key to his mind. Behind the grandiose paintings of the victorious conqueror and the constructions of the propagandist stands the reader. This book is an attempt to glimpse Napoleon's character without the veneer of imperial glory. What was he like alone at night by his fireplace? What thoughts percolated in the mind of the ambitious 20-year-old isolated in a little room while theorizing about man's happiness? Who are the literary and historical figures which can claim to have had impacted his life? Who were his favorite authors? Through this book, the reader will embark on a literary promenade with the great general and statesman. In these pages are found the emperor's favorite authors. And with them, the key to understanding his mind.

"And in Length of Days Understanding"

(Job 12:12) Erez Ben-Yosef, Ian W. N. Jones, 2023-08-01

This two-volume book presents cutting-edge archaeological research primarily as practiced in the Eastern Mediterranean region. These volumes' key foci are inspired by the work of Thomas E. Levy. Volume 1 provides an in-depth look at new archaeological research in the southern Levant, primarily in modern Israel and Jordan, inspired by Levy's commitment to understanding social, political, and economic processes in a long-term or deep-time perspective. Volume 2 focuses on new research in several key areas of 21st-century anthropological archaeology and archaeological science. Volume 1 is organized around two major themes: 1) the later prehistory of the southern Levant, or the Neolithic, Chalcolithic, and Bronze Age; and 2) new research in biblical archaeology or the historical archaeology of the Iron Age. Each section contains a combination of new perspectives on key debates and studies introducing new research questions.

and directions Volume 2 is organized around five major themes 1 the archaeology of the Faynan copper ore district of southern Jordan a key region for archaeometallurgical research in West Asia where Levy conducted field research for over a decade 2 new research in archaeometallurgy beyond the Faynan region 3 marine and maritime archaeology focusing on issues of trade and environmental change 4 cyber archaeology an important 21st century field Levy conceived as the marriage of archaeology engineering computer science and the natural sciences and 5 key issues in anthropological archaeological theory In addition to presenting the reader with an up to date view of research in each of these areas the volume also has chapters exploring the connections between these themes e g the maritime trade of metals and cyber digital archaeological approaches to metallurgy The work contains contributions from both up and coming early career researchers and key established figures in their fields This book is an essential reference for archaeologists and scholars in related disciplines working in the southern Levant and the Eastern Mediterranean

Napoleon's Invasion of Egypt Jonathan North,2023-08-15 My horse took the force of his sabre but I was able to hack at his hands Wounded quite badly he went down only to try again I was tired of this game so I threw myself onto him and staved in his head Jonathan North presents an astonishing history of Napoleon s early bartering of lives for glory based on the words of the soldiers *Empires of the Sand* Efraim Karsh,Inari Karsh,2001-04-02 Empires of the Sand offers a bold and comprehensive reinterpretation of the struggle for mastery in the Middle East during the long nineteenth century 1789 1923 This book denies primacy to Western imperialism in the restructuring of the region and attributes equal responsibility to regional powers Rejecting the view of modern Middle Eastern history as an offshoot of global power politics the authors argue that the main impetus for the developments of this momentous period came from the local actors Ottoman and Western imperial powers alike are implicated in a delicate balancing act of manipulation and intrigue in which they sought to exploit regional and world affairs to their greatest advantage Backed by a wealth of archival sources the authors refute the standard belief that Europe was responsible for the destruction of the Ottoman Empire and the region s political unity Instead they show how the Hashemites played a decisive role in shaping present Middle Eastern boundaries and in hastening the collapse of Ottoman rule Similarly local states and regimes had few qualms about seeking support and protection from the infidel powers they had vilified whenever their interests so required Karsh and Karsh see a pattern of pragmatic cooperation and conflict between the Middle East and the West during the past two centuries rather than a clash of civilizations Such a vision affords daringly new ways of viewing the Middle East s past as well as its volatile present

Jerusalem Besieged Eric H. Cline,2010-03-10 Jerusalem Besieged is a fascinating account of how and why a baffling array of peoples ideologies and religions have fought for some four thousand years over a city without either great wealth size or strategic importance Cline guides us through the baffling but always bloody array of Jewish Roman Moslem Crusader Ottoman Western Arab and Israeli fights for possession of such a symbolic prize in a manner that is both scholarly and engaging Victor Davis Hanson Stanford University author of

The Other Greeks and Carnage and Culture A beautifully lucid presentation of four thousand years of history in a single volume Cline writes primarily as an archaeologist avoiding polemic and offering evidence for any religious claims yet he has also incorporated much journalistic material into this study Jerusalem Besieged will enlighten anyone interested in the history of military conflict in and around Jerusalem Col Rose Mary Sheldon Virginia Military Institute This groundbreaking study offers a fascinating synthesis of Jerusalem s military history from its first occupation into the modern era Cline amply deploys primary source material to investigate assaults on Jerusalem of every sort starting at the dawn of recorded history Jerusalem Besieged is invaluable for framing the contemporary situation in the Middle East in the context of a very long and pertinent history Baruch Halpern Pennsylvania State University A sweeping history of four thousand years of struggle for control of one city An absorbing account of archaeological history from the ancient Israelites first conquest to today s second intifada Cline clearly lays out the fascinating history behind the conflicts USA Today A pleasure to read this work makes this important but complicated subject fascinating Jewish Book World Jerusalem Besieged is a fascinating account of how and why a baffling array of peoples ideologies and religions have fought for some four thousand years over a city without either great wealth size or strategic importance Cline guides us through the baffling but always bloody array of Jewish Roman Moslem Crusader Ottoman Western Arab and Israeli fights for possession of such a symbolic prize in a manner that is both scholarly and engaging Victor Davis Hanson Stanford University author of The Other Greeks and Carnage and Culture

"1812" - Napoleon I in Russia Vasil' Vasil'evich Vereshchagin, 2023-10-25 Vasil Vasil'evich Vereshchagin s 1812 Napoleon I in Russia presents a profound exploration of the tumultuous period of Napoleon s invasion of Russia Through a masterful blend of vivid imagery and detailed narrative Vereshchagin captures the harrowing experiences of soldiers and civilians alike intricately depicting the carnage of war alongside the stark beauty of the Russian landscape Written in a realist style that immerses readers in the historical context of the early 19th century the book stands as a monument to the tragic consequences of ambition and conflict providing both a poignant reflection on warfare and an evocative commentary on the resilience of the human spirit amidst chaos As a prominent Russian painter and war correspondent Vereshchagin s deep seated fascination with history and his firsthand experiences of battle profoundly influenced his literary endeavors His profound understanding of the emotional impact of war coupled with his artistic prowess lends a unique perspective to this historical account Vereshchagin was determined to reveal the truth of war pushing past the glorified narratives that often surround military conflicts thereby urging readers to confront the stark realities of human suffering This book is highly recommended for those interested in military history art and the psychological complexities of war Vereshchagin s insightful narrative and arresting imagery invite readers to reflect on the lessons of the past making 1812 not only an essential historical document but also a timeless cautionary tale about the devastation wrought by imperial ambition **Eighteen Hundred and Twelve: Or, Napoleon's Invasion of Russia** Ludwig Rellstab, 1849 Louis Napoleon the destined
