**British Light Infantry & Rifle Tactics of the Napoleonic Wars** Philip Haythornthwaite, 2016-10-20 In an age when infantry units manoeuvred and fought in rigid blocks the idea of encouraging initiative and allowing a unit to skirmish was regarded as revolutionary and fell out of favour in the years following the French Indian and American Revolutionary wars It was revived by far sighted British and foreign mercenary officers who observed the way in which French Revolutionary armies deployed skirmishers to prepare the way for their assault columns Offering a detailed analysis of the tactics this book is studded with period battle descriptions quoted from eye witness accounts creating a comprehensive guide to the Light and Rifles units of Wellington's Light Division As the result of the first tentative experiments in skirmishing the units achieved an unsurpassed peak of efficiency they marched faster were versatile in any sort of tactical situation and could shoot more accurately than either friend or foe No other national army either allied or enemy achieved these standards

army level wargames rules for large land Battles for the period 1701 1914 This version 1.1 is a slight revision of the version 1.0 written about ten years ago by Phil Barker and for many years available as a free download It is primarily intended for games between two players each controlling a complete army against its historical opponents using a minimum number of figures on a small table The series inspirations are that no current rules can cope with more than one corps per player that few of the many wars of the period except the Napoleonic and American Civil Wars are covered by existing rule sets and that great interest is being shown in smaller model scales for which casualty removal is impractical Later it will be followed by HFG Version 2.0 which will extend the period to 1925 as well as detailed companion sets initially Tricorne Musket covering 1701 1790 Shako and Bayonet for 1791 1850 and Kepi Rifle for 1851 1914      **Tank Tactics** Roman Johann
