The Legacy of Birgitta of Sweden ,2023-12-18 Saint Birgitta of Sweden d 1373 one of the most famous visionary women of the late Middle Ages lived in Rome for the last 23 years of her life Much of her extensive literary work was penned there Her Celestial Revelations circulated widely from the late 14th century to the 17th century copied in Italian scriptoria translated into vernacular and printed in several Latin and Italian editions In the same centuries an extraordinary number of women writers across the peninsula were publishing their work What echoes might we find of the foreign widow s prophetic voice in their texts This volume offers innovative investigations written by an interdisciplinary group of experts of the profound impact of Birgitta of Sweden in Renaissance Italy Contributors include Brian Richardson Jane Tylus Isabella Gagliardi Clara Stella Marco Faini Jessica Goethals Anna Wainwright Eleonora Cappuccilli Eleonora Carinci Virginia Cox Unn Falkeid and Silvia Nocentini The Education of Madeline Beth Williamson,2009-03-01 The Right Man Comes Along Madeline Brewster practically owns Plum City Colorado But at thirty two she knows she has missed any chance for happiness Until she finds a tall strong handsome Irishman on the wrong end of the hangman s noose Suddenly this unconventional woman comes up with an outrageous idea Teague O Neal has rugged cheekbones tousled black curls and eyes as blue as the sky even if he is caked in Colorado mud The men insist they caught him horse thieving and there s something desperate about him that says he d do anything for a buck Maybe it was pure chance or maybe it was something more that brought Madeline and Teague together But one thing s clear between a woman who has just about everything she could ever want and a man who s lost that and more they might find something in between worth living for *Sensory Reflections* Fiona Griffiths,Kathryn Starkey,2018-10-22 This volume draws on emerging scholarship at the intersection of two already vibrant fields medieval material culture and medieval sensory experience The rich potential of medieval matter most obviously manuscripts and visual imagery but also liturgical objects coins textiles architecture graves etc to complement and even transcend purely textual sources is by now well established in medieval scholarship across the disciplines So too attention to medieval sensory experiences most prominently emotion has transformed our understanding of medieval religious life and spirituality violence power and authority friendship and constructions of both the self and the other Our purpose in this volume is to draw the two approaches together plumbing medieval material sources for traces of sensory experience above all ephemeral and physical experiences that unlike emotion are rarely fully described or articulated in texts Encyclopedia of American Quaker Genealogy: Abstracts of the records of the Society of Friends in Indiana; Parts 1-6 edited by Willard Heiss William Wade Hinshaw,1965 *Wicked Reads* Shayla Black,Sylvia Day,Karin Tabke,Shiloh Walker,Beth
