Nathans 100 Day Diary Lee:

The Diary of Calvin Fletcher, Volume 8: 1863-1864 Calvin Fletcher, 1981 Calvin Fletcher born in Vermont in 1798 came to Indiana from Ohio in 1821 and in the next forty five years made a fortune raised eleven children and was a pillar of the community This pioneer Indianapolis lawyer banker and philanthropist kept a diary for most of his long life and in it he recorded both the growth of his family and his community Whether complaining criticizing observing shrewdly or agonizing Fletcher emerges as both a complex and unforgettable human being Each of the set s nine volumes has a preface chronology and index Volume nine includes a cumulative index *The Bookman* ,1925 **The Literary Diary of Ezra Stiles ...** Ezra Stiles, 1901 U.S. Colored Troops Defeat Confederate Cavalry Edwin W. Besch, 2017-04-10 Wilson s Wharf was the first major clash between U S Colored Troops and the Army of Northern Virginia The 1st and 10th USCT infantry regiments supported by two cannon and two U S Navy gunboats faced 11 detachments of veteran Confederate cavalry who were under orders to kill every man Union commander General Edward Wild a one armed abolitionist refused General Fitzhugh Lee s demand for surrender telling Lee to go to Hell The battle resulted in a victory for the mainly black Union force This book describes the action in detail and in the larger context of the history of black U S servicemen including the British recruitment of runaway slaves during the Revolutionary War the black Colonial Marines who joined the British in torching Washington in the War of 1812 and the South s attempts to enlist slaves in the final months of the Civil War **Glory Enough for All** Eric J. Wittenberg, 2007-07-01 After the ferocious fighting at Cold Harbor Virginia in June 1864 Union Lt Gen Ulysses S Grant ordered his cavalry commanded by Maj Gen Philip H Sheridan to distract the Confederate forces opposing the Army of the Potomac *Glory Enough for All* chronicles the battle that resulted when Confederate cavalry pursued and caught their Federal foes at Trevilian Station Virginia perhaps the only truly decisive cavalry battle of the American Civil War Eric J Wittenberg tells the stories of the men who fought there including eight Medal of Honor winners and one Confederate whose death at Trevilian Station made him the third of three brothers to die in the service of Company A of the Fourth Virginia Cavalry He also addresses the little known but critical cavalry battle at Samaria Saint Mary s Church on June 24 1864 where Union Brig Gen David N Gregg s division was nearly destroyed The only modern strategic analysis of the battle *Glory Enough for All* challenges prevailing interpretations of General Sheridan and of the Union cavalry Wittenberg shows that the outcome of Trevilian Station ultimately prolonged Grant s efforts to end the Civil War **Diary of Joshua Hempstead of New London, Connecticut, 1711-1758** Joshua Hempstead, 1901 **Patriots Twice** Stephen M. Hess,2022-10-05 The American Civil War saw the creation of the largest most potent artillery force ever deployed in a conflict fought in the Western Hemisphere It was as sizable and powerful as any raised in prior European wars Moreover Union and Confederate artillery included the largest number of rifled pieces fielded in any conflagration in the world up to that point Earl J Hess s *Civil War Field Artillery* is the first comprehensive general history of the artillery arm that supported infantry and cavalry in

the conflict Based on deep and expansive research it serves as an exhaustive examination with abundant new interpretations that reenvision the Civil War s military Hess explores the major factors that affected artillerists and their work including the hardware the organization of artillery power relationships between artillery officers and other commanders and the influence of environmental factors on battlefield effectiveness He also examines the lives of artillerymen the use of artillery horses manpower replacement practices effects of the widespread construction of field fortifications on artillery performance and the problems of resupplying batteries in the field In one of his numerous reevaluations Hess suggests that the early war practice of dispersing guns and assigning them to infantry brigades or divisions did not inhibit the massing of artillery power on the battlefield and that the concentration system employed during the latter half of the conflict failed to produce a greater concentration of guns In another break with previous scholarship he shows that the efficacy of fuzes to explode long range ordnance proved a problem that neither side was able to resolve during the war Indeed cumulative data on the types of projectiles fired in battle show that commanders lessened their use of the new long range exploding ordnance due to bad fuzes and instead increased their use of solid shot the oldest artillery projectile in history Athenaeum and Literary Chronicle ,1870 Terrible Revolution Christopher James Blythe,2020 Terrible Revolution is the history of apocalyptic visions in the Mormon experience Christopher James Blythe follows how last days beliefs informed the Church of Jesus Christ of Latter day Saints relationship with the United States and how the role of lay visionaries in the tradition changed Blythe s work draws on hundreds of little known archival sources to capture for the first time in scholarship the 200 year history of Mormon apocalypticism **The Dial** Francis Fisher Browne,Waldo Ralph Browne,Scofield Thayer,1910 *Holding the Line on the River of Death* Eric J.
