Reading to children at home is a joyful and celebratory time for parents and children alike. Both relish in the story and the time spent together. Early exposure to texts provides other benefits as well because it prepares children for school and builds a love of reading. *Living Literacy at Home* provides tips and strategies to help parents build those connections. Included is a snapshot of what literacy looks like in today's classroom and support on how to make that home-to-school connection, how to build a home library and develop a reading routine, and how to make every day a literacy-rich day. Easy-to-use forms and a glossary of literacy terms round out this resource. Although the book is intended for parents of children in kindergarten through grade 8, the routines and suggestions can be easily adapted for any grade level.

Navigating The Information Tsunami Kristin Fontichiaro, 2012-08-01
At Cherry Lake Publishing, our authors and editors are passionate about giving kids robust, engaging, and challenging materials that will prepare them to flourish in the multimedia Information Age. The implementation of the Common Core State Standards (CCSS) calls on educators to refresh and sharpen their skills in reading, writing, math, and research. Research in the Internet Age creates new challenges for search, comprehension, synthesis, and creation skills. In *Navigating the Information Tsunami: Engaging Research Projects that Meet the Common Core State Standards K-5*, we've created our first book geared directly at teachers, administrators, and librarians. Expert practitioners in research pedagogy share their best tips and lessons in nearly 20 projects that invite students to think deeply, weigh choices, make decisions, and articulate them in digital or print projects. With an eye toward the how and not merely the what of quality research for emerging readers and young scholars, our contributors provide detailed guidance on how teachers can harness students' natural curiosity to go beyond fact-gathering and exceed CCSS expectations. From launching the lesson to comprehension checkpoints to the final summative assessment, we're here to help **The Complete Idiot's Guide to Reading with Your Child** Helen Coronato, 2007-08-07
Bring out the reader in every child. This one-of-a-kind guide helps parents raise their kids to be readers for life. Includes tips for moms and dads, even when English isn't their first language, along with the other adults in their lives. Suggests great titles to be read aloud, apart and together, from birth to high school and much, much more. The book's Great Titles to Share together lists are broken out by age in appropriate chapters and then gathered together in an appendix for easy cross-referencing **The Ramped-Up Read Aloud** Maria Walther, 2018-06-22
In this remarkable resource, Maria Walther shares two-page read-aloud experiences for 101 picture books that tune you into what to notice, say, and wonder in order to bolster students' literacy exponentially. A first-grade teacher for decades, Maria is a master of strategic savoring. Her lesson design efficiently sparks instructional conversations.
