Merchants of Culture John B. Thompson, 2021-04-14 These are turbulent times in the world of book publishing For nearly five centuries the methods and practices of book publishing remained largely unchanged but at the dawn of the twenty first century the industry finds itself faced with perhaps the greatest challenges since Gutenberg A combination of economic pressures and technological change is forcing publishers to alter their practices and think hard about the future of the books in the digital age In this book the first major study of trade publishing for more than 30 years Thompson situates the current challenges facing the industry in an historical context analysing the transformation of trade publishing in the United States and Britain since the 1960s He gives a detailed account of how the world of trade publishing really works dissecting the roles of publishers agents and booksellers and showing how their practices are shaped by a field that has a distinctive structure and dynamic This new paperback edition has been thoroughly revised and updated to take account of the most recent developments including the dramatic increase in ebook sales and its implications for the publishing industry and its future

A Fatal Fiction Kaitlyn Dunnett, 2020-06-30 Freelance book editor Mikki Lincoln knows the makings of a well written story But she ll need to choose her words wisely when a new assignment introduces a deadly plot twist Forgotten on the outskirts of quaint Lenape Hollow Feldman s Catskill Resort Hotel has outlasted its heyday as a popular tourist destination and now awaits demolition But once Mikki is hired to edit a revealing memoir by Sunny Feldman the last living relative of its original owners the doomed resort quickly ends up back in the spotlight Unfortunately everyone s attention shifts to Mikki when a body is discovered at the demolition site Seen arguing with deceptive entrepreneur Greg Onslow right before his shocking death the editor has no choice but to spell out exactly why she isn t guilty of murdering him Mikki s dash for answers brings Greg s shady dealings into focus along with an unsettling list of potential culprits As false leads and dead ends force her to revise theories on who really did it can Mikki separate fact from fiction before the investigation reaches a terrifying conclusion *Missing and Presumed Dead: A Chandler County Novel* Cherime MacFarlane, 2018-05-17 Grant

remembered waking in a hospital bed with Crystal s hand on his forehead And no matter how hard he begged the girl said she must leave She needed to get away from her father and couldn t stay with his family due to the generations long feud Crystal joined the Army So did he Then he came home ran for sheriff and won The first thing he did when in office was open the file labeled Missing and Presumed Dead No one had seen or heard from the mother of the Dane children in years Did her husband kill her as Royce Dane said If not how did she disappear without a trace But things take an odd twist when he discovers his mother s involvement Crystal likes everything about the man Grant is But she isn t cut out for mixing in the upper echelon of Chandler County society Her brother needs to know what happened to their mother Crystal isn t so sure she cares If her mother walked away from her children Crystal doesn t need her now
