

A photograph of a ceramics workshop. In the foreground, there is a workbench covered with various pieces of broken and unfinished ceramic. Some pieces are white, some are reddish-brown, and some are in the shape of bowls or plates. A large, dark, circular object, possibly a pottery wheel or a large bowl, is visible on the left. In the background, there are shelves and a large, dark, rectangular object, possibly a kiln or a large container. The lighting is warm and focused on the workbench.
