Troubling Freedom Natasha Lightfoot, 2015-11-19 In 1834 Antigua became the only British colony in the Caribbean to move directly from slavery to full emancipation Immediate freedom however did not live up to its promise as it did not guarantee any level of stability or autonomy and the implementation of new forms of coercion and control made it in many ways indistinguishable from slavery In *Troubling Freedom* Natasha Lightfoot tells the story of how Antigua's newly freed black working people struggled to realize freedom in their everyday lives prior to and in the decades following emancipation She presents freedpeople's efforts to form an efficient workforce acquire property secure housing worship and build independent communities in response to elite prescriptions for acceptable behavior and oppression Despite its continued efforts Antigua's black population failed to convince whites that its members were worthy of full economic and political inclusion By highlighting the diverse ways freedpeople defined and created freedom through quotidian acts of survival and occasional uprisings Lightfoot complicates conceptions of freedom and the general narrative that landlessness was the primary constraint for newly emancipated slaves in the Caribbean

Early African Caribbean Newspapers as Archipelagic Media in the Emancipation Age Johanna Seibert, 2022-11-21 *Early African Caribbean Newspapers as Archipelagic Media in the Emancipation Age* shows how two Black edited periodical publications in the early decades of the nineteenth century worked towards emancipation through medium specific interventions across material and immaterial lines More concretely this book proposes an archipelagic framework for

Trouble of the World Zach Sell, 2020-11-24 In this innovative new study Zach Sell returns to the explosive era of capitalist crisis upheaval and warfare between emancipation in the British Empire and Black emancipation in the United States In this age of global capital U S slavery exploded to a vastness hitherto unseen propelled forward by the outrush of slavery produced commodities to Britain continental Europe and beyond As slavery produced commodities poured out of the United States U S slaveholders transformed their profits into slavery expansion Ranging from colonial India to Australia and Belize Sell's examination further reveals how U S slavery provided not only the raw material for Britain's explosive manufacturing growth but also inspired new hallucinatory imperial visions of colonial domination that took root on a global scale What emerges is a tale of a system too powerful and too profitable to end even after emancipation it is the story of how slavery's influence survived emancipation infusing empire and capitalism to this day

Black Convicts Santilla Chingaipe, 2024-10-30 Longlisted for the 2025 Stella Prize Readings Best Books of 2024 Non Fiction The story of Australia's Black convicts has been all but erased from our history In recovering their lives Santilla Chingaipe offers a fresh understanding of this fatal shore showing how empire slavery race and memory have shaped our nation The defining read of the decade This is a work of global significance Meanjin On the First Fleet of 1788 at least 15 convicts were of African descent By 1840 the number had risen to almost 500 Among them were David Stuurman a revered South African chief transported for anti colonial insurrection John Caesar who became Australia's first bushranger Billy Blue the stylishly dressed ferryman who gave his name to Sydney's Blues Point and William Cuffay a prominent London Chartist who led the development of Australia's labour movement Two of the youngest were cousins from Mauritius girls aged just 9 and 12 sentenced over a failed attempt to poison their mistress But although some of these lives were documented and their likenesses hang in places like the National Portrait Gallery even their descendants are often unaware of their existence By uncovering lives whitewashed out of our history in stories spanning Africa the Americas and Europe Black Convicts also traces Australia's hidden links to slavery which both powered the British Empire and inspired the convict system itself Situating European settlement in its global context Chingaipe shows that the injustice of dispossession was driven by the engine of labour exploitation Black Convicts will change the way we think about who we are
